Awards: Procter and Gamble Canada Fulbright Scholarship (1994-95)

National Health Ph.D. Fellowship (1994-97)

General Motors/Canadian Institute for Advanced Research Fellowship (1996-97)

Additional Qualifications

Rotating Internship, North York General Hospital, University of Toronto (1989-90)

Licenciate, Medical Council of Canada (1990)

General Licenciate, College of Physicians and Surgeons of Ontario (1990)

Certificant, Clinical Traineeship in HIV Infection, University of Toronto (1990)

Participant, Problem-Based Learning in Small Groups, McMaster University (1996)

Participant, Role of the Tutor in Small Group Learning, McMaster University (1998)

* Prepared in accordance with McMaster University Senate guidelines, and current as of 27 November 2020

Current Status

Professor (tenured), Department of Health Research Methods, Evidence and Impact, McMaster University (July 2009 –)

Canada Research Chair in Evidence-Informed Health Systems (Tier 1) (January 2015 – December 2021)

Director, McMaster Health Forum (April 2009 –)

Director, WHO Collaborating Centre for Evidence-Informed Policy (December 2018 – November 2022; and Co-Director from December 2010 – November 2022)

Co-lead, Rapid-Improvement Support and Exchange (RISE) (July 2019 -)

Co-lead, COVID-19 Evidence Network to support Decision-making (COVID-END) (April 2020 -)

Associate Member, Department of Political Science, McMaster University (September 2002 – June 2022)

Visiting Adjunct Professor, University of Johannesburg (April 2018 – March 2023)

Professional Organizations

1989 - Ontario Medical Association and Canadian Medical Association
1996 - 2018 Canadian Association for Health Services and Policy Research
2012 - Health Systems Global

Employment History

Academic

1992 Visiting Research Fellow, Health Policy Unit, London School of Hygiene and Tropical Medicine, London, England (September - October 1992)

1992-96 Research Fellow, Centre for Health Economics and Policy Analysis, McMaster University (September 1992 - August 1994, Summer 1995, and Summer 1996)

1993-94 Research Fellow, Institute for Clinical Evaluative Sciences in Ontario, Toronto, ON, Canada (June 1993 - August 1994)

1995-97 Research Fellow, Institute for Work & Health, Toronto, ON, Canada (Summer 1995 and June 1996 - June 1997)

1996-97 Visitor, Centre for Health Economics and Policy Analysis, McMaster University, Hamilton, ON, Canada (July 1996 - August 1997)

1997-98 Manager, Population/Workforce Studies, Institute for Work & Health, Toronto, ON, Canada (July 1997 - December 1998)

1997-03 Scientist, Institute for Work & Health, Toronto, ON, Canada (July 1997 – June 2003)

1997-03 Assistant Professor (Special Appointment), Department of Clinical Epidemiology and Biostatistics, McMaster University, Hamilton, ON, Canada (September 1997 - June 2003)

1997- Member, Centre for Health Economics and Policy Analysis, McMaster University, Hamilton, ON, Canada (September 1997 -)

- 1998-00 Scholar, Population Health Program, Canadian Institute for Advanced Research, Toronto, ON, Canada (July 1998 - June 2000)
- 1999-01 Associate Research Director (Strategy), Institute for Work & Health, Toronto, ON, Canada (January 1999 - June 2001)
- 1999-01 Assistant Professor (status only), Department of Health Policy, Management, and Evaluation (formerly Health Administration), University of Toronto (May 1999 - May 2001)
- 1999-01 Associate Member (limited term), School of Graduate Studies, University of Toronto (May 1999 - May 2001)
- 1999-02 Principal Investigator, Health Evidence Applications and Linkage Network, National Centres of Excellence (April 1999 - March 2002)
- 2000-03 Liberty Health Scholar, Population Health Program, Canadian Institute for Advanced Research, Toronto, ON, Canada (July 2000 - June 2003)
- 2001-02 Canadian Associate, Harkness Fellows Program, Commonwealth Foundation (May 2001 - June 2002)
- 2001-06 Canada Research Chair in Knowledge Transfer and Uptake (Tier 2) (July 2001 - June 2006, once renewable)
- 2001-14 Director, Program in Policy Decision-making, McMaster University (January 2001 – December 2014)
- Re-named the McMaster Health Forum's Impact Lab in January 2015
- 2002-03 Assistant Professor (status only), Department of Health Policy, Management, and Evaluation, University of Toronto (July 2002 - June 2003)
- 2002-05 Associate Member (limited term), School of Graduate Studies, University of Toronto (July 2002 - June 2005)
- 2002-06 Associate Member, Department of Political Science, McMaster University (September 2002 - June 2006)
- 2003-09 Associate Professor (Continuing Appointment Without Annual Review), Department of Clinical Epidemiology and Biostatistics, McMaster University (July 2003 - June 2009)
- 2003-05 Associate Professor (status only), Department of Health Policy, Management, and Evaluation, University of Toronto (July 2003 - June 2005)
- 2003-04 Visiting Researcher, Institut de recherche et de documentation en économie de la santé (IRDES), formerly Centre de recherche, d'étude et de documentation en économie de la santé (CREDES), Paris, France (July 2003 - June 2004)
- 2004-06 Honorary Senior Lecturer, Department of Public Health and Policy, London School of Hygiene and Tropical Medicine, London, United Kingdom (February 2004 - January 2006)
- 2006-11 Canada Research Chair in Knowledge Transfer and Exchange (Tier 2) (July 2006 - June 2011)
- 2006-09 Associate Member, Department of Political Science, McMaster University (July 2006 - June 2009)

- 2007-10 Research Associate, European Observatory on Health Systems and Policies (July 2007 - June 2010)
- 2009-15 Professor (Continuing Appointment Without Annual Review), Department of Clinical Epidemiology and Biostatistics, McMaster University (July 2009 - June 2015)
- 2009- Director, McMaster Health Forum (April 2009 -)
- 2009-12 Associate Member, Department of Political Science, McMaster University (July 2009 - June 2012)
- 2010- Co-Director, WHO Collaborating Center for Evidence-Informed Policy (December 2010 - November 2014; renewed from December 2014 – November 2018; renewed again with me as sole director from December 2018 – November 2022)
- 2010-18 Director, Policy Liaison Office, Canadian Cochrane Centre (January 2010 – December 2018)
- 2011-16 Associate Director, Centre for Health Economics and Policy Analysis, McMaster University (September 2011 - December 2016)
- 2012-17 Adjunct Professor of Global Health, Department of Global Health and Population, Harvard T. H. Chan School of Public Health (May 2012 - June 2017)
- 2012-15 Associate Member, Department of Political Science, McMaster University (July 2012 - June 2015)
- 2015- Professor (tenured), Department of Health Evidence and Impact (formerly Department of Clinical Epidemiology and Biostatistics), McMaster University (July 2015 -)
- 2015-21 Canada Research Chair in Evidence-Informed Health Systems (Tier 1) (January 2015 – December 2021)
- 2015- Director, McMaster Health Forum’s Impact Lab (January 2015 -)
- 2015-18 Associate Member, Department of Political Science, McMaster University (July 2015 - June 2018)
- 2016-18 Associate Director, Michael G. DeGroot - Cochrane Canada Centre at McMaster (January 2016 – December 2018)
- 2017- Director, Forum+ (April 2017 -)
- 2018-23 Visiting Adjunct Professor, University of Johannesburg (April 2018 – March 2023)
- 2018- Director, WHO Collaborating Center for Evidence-Informed Policy (December 2018 – November 2022)
- 2019-22 Associate Member, Department of Political Science, McMaster University (July 2019 - June 2022)
- 2019- Co-lead, Rapid-Improvement Support and Exchange (RISE) (July 2019 -)

Consultations

- 1992 World Health Organization (Global Programme on AIDS)
- Costs of HIV prevention strategies in developing countries
- 1992-93 Honda Foundation/Canadian Institute for Advanced Research
- Efficiency in the production of health care, health and well-being

- 1997 World Bank
 - Distance-learning module in health economics
- 1997 Conference Board of Canada
 - Role of employers in health care and health
- 1998-99 Canadian Heritage
 - Social cohesion and health
- 1998-01 World Health Organization (Regional Office for Europe)
 - Health economics learning modules
- 2000-01 Milbank Memorial Fund
 - Population health web site
- 2001-02 Commission on the Future of Health Care in Canada
 - Political elites and their influence on health-care reform in Canada
- 2002 University of Wisconsin-Madison
 - Knowledge transfer for “society and health” research
- 2002 World Health Organization/Alliance for Health Policy and Systems Research
 - User-driven health research
- 2002 Canadian Institutes of Health Research
 - Think tank on knowledge translation
- 2003 Washington Business Group/Agency for Healthcare Research and Quality
 - Knowledge transfer to private firms
- 2003 Agency for Healthcare Research and Quality
 - Expert consultation on knowledge transfer and utilization
- 2003 World Health Organization (Reproductive Health and Research)
 - Task force on research utilization guideline
- 2003 World Health Organization (Research Policy and Cooperation) and The Wellcome Trust
 - Research utilization in developing countries
- 2003-04 World Health Organization (Research Policy and Cooperation)
 - Writer of the report underpinning the chapter entitled “Linking research to action” in the World Report on Knowledge for Better Health
- 2003-04 Canadian Health Services Research Foundation (Executive Training for Research Application)
 - Curriculum developer for a week-long module in the first residency session - Promoting the use of research-based evidence in health service organizations
- 2004 World Health Organization (Research Policy and Cooperation)
 - Global knowledge observatory to promote evidence-informed policymaking
- 2004 World Health Organization (Research Policy and Cooperation)
 - Co-organizer of Ministerial Roundtable 4 (Making informed policy decisions: Challenges and opportunities) at the Ministerial Summit on Health Research

- 2004-05 Canadian Health Services Research Foundation (Executive Training for Research Application)
- Curriculum reviser for a week-long module in the first residency session - Promoting the use of research-based evidence in health service organizations
- 2005 Agency for Healthcare Research and Quality
- Knowledge translation with a particular focus on high-reliability organizations
- 2005 Makerere University (Regional East African Community Health – Policy Initiative)
- Knowledge broker unit for the governments of Kenya, Tanzania, and Uganda
- 2005 World Health Organization (Western Pacific Regional Office)
- Development of networks to support health policy formulation and health decision making (Evidence-Informed Policy Networks – Asia)
- 2005 World Health Organization (Knowledge Management and Sharing)
- Knowledge translation in global health
- 2005-06 Canadian Health Services Research Foundation/Royal Roads University
- Curriculum developer for an online course targeted at healthcare managers - Use of Research Based Evidence in Health Management – as part of the Graduate Certificate in Evidence Informed Health Systems Leadership
- 2005-15 World Health Organization
- Development of evidence-informed policy networks in Africa, Asia and the Americas (EVIPNet Africa, EVIPNet Asia, EVIPNet Americas and EVIPNet Europe)
- Meetings in Kuala Lumpur, Malaysia (13-15 June 2005), Brazzaville, Congo (27-29 March 2006), Arusha, Tanzania (11-14 October 2006), Khon Kaen, Thailand (13-16 December 2006), Arusha, Tanzania (19-22 June 2007), Oslo, Norway (25-29 June 2007), Washington, DC, USA (2-3 July 2007), Cape Town, South Africa (13-15 November 2007), Addis Ababa, Ethiopia (18-22 February 2008), Kuala Lumpur, Malaysia (16-20 February 2009), Geneva, Switzerland (25-27 March 2008), Paris, France (30 March – 3 April 2009), Copenhagen, Denmark (14-16 December 2011), Male, Maldives (23-26 September 2012), Shanghai, China (24-27 September 2013), Izmir, Turkey (9-10 October 2013), Ougadougou, Burkina Faso (9-14 March 2014), Geneva, Switzerland (2-5 September 2014), Muscat, Oman (15-18 March 2015), Istanbul, Turkey for Iraq (22-23 November 2015)
- 2006 National Institute of Public Health (Mexico)
- Curriculum developer for a week-long summer training module for health system managers and public policymakers in Costa Rica, El Salvador, Guatemala, and Mexico, and Panama - Promoting the use of research-based evidence in health service organizations (Políticas de salud sobre bases científicas: La utilización efectiva de resultados de investigación)
- 2007-11 European Observatory on Health Systems and Policies
- Proposal writer and co-lead for a European Community Framework Programme 7 funded scoping study of approaches to Brokering knowledge and Research Information to support the Development and Governance of health systems in Europe (BRIDGE) and co-editor of their newly re-launched Policy Briefs series (in collaboration with WHO's Health Evidence Network)
- 2007-09 World Health Organization
- Evaluation of the development and implementation of the World Health Organization's 'research for health' strategy

- 1990 Primary Care Physician, Med-Emerg Inc., Southern Ontario, Canada
- 1991-92 Locum Tenens, Toronto HIV Primary Care Physicians' Group, Toronto, ON, Canada
- 1996-99 Primary Care Physician, Toronto, ON, Canada

Scholarly and Professional Activities

Grant Committees

- Member, NHRDP Review Committee on Health Management (1995, 1996)
- Member, NHRDP Review Committee on Renewal and Restructuring of the Health System (1997)
- Member, NHRDP Review Committee on the Health Impact of Public Policies (1998, 1999)
- Member, CHSRF Merit Review Panel on Letters of Intent (1998, 1999)
- Member, CHSRF Merit Review Panel on Communications Infrastructure Development (1999)
- Chair, CIHR Grants Committee - Health Policy and Systems Management Research (2000-1, 2001-2, 2002-2003)
- Member, CIHR Grants Committee - Health Information and Promotion Research - Special Competition on Knowledge Translation (2001)
- Chair, CIHR Review Panel for a Canadian Virtual Health Library and a Canadian Institute of Child Health Directed Grants (2009)
- Member, Singapore's National Medical Research Council Centre Grants Committee (2016-17; 2019-20)
- Member, CIHR Project Grants Committee – Health Services Evaluation and Interventions Research 2 (2019)
- Member, CIHR Catalyst Grants Committee – Impacts of Financial and Organizational Restructuring of Public Health (2020)

Personnel Award Committees

- Member, Selection Panel for the Health Services Research Advancement Award, Canadian Health Services Research Foundation (September 2000 - August 2001)
- Chair, Selection Panel for the Canadian Associates of the Harkness Fellows Program (February - March 2003)

Other Award Committees

- Member, Canadian Institutes of Health Research (CIHR) Knowledge Translation Award (2006, 2010)
- Member, PanAmerican Health and Education Foundation (PHEF) Fred L. Soper Award for Excellence in Health Literature (2007, 2008, 2009)

External Grant Reviews

- CIAR Review Committee on General Motors' Doctoral Stipend and Post-Doctoral Fellowships (1997, 1998, 1999)
- NHRDP Review Committee on Renewal and Restructuring of the Health System (1998)
- MRC Career Award Committee (1999)
- NHRDP Research Funding Grant (2000)
- SSHRC Standard Research Grant (2000)
- Canadian Population Health Initiative Program and Project Grants (2001, 2002)
- Wellesley Central Health Corporation (2005)

Conference Abstract Reviews

- AcademyHealth Annual Research Meeting (2003, 2005)
- Canadian Association for Health Services and Policy Research (CAHSPR) Annual Conference (2006, 2009)
- Third Global Symposium on Health Systems Research (2014)
- Sixth Global Symposium on Health Systems Research (2020)

Editorial Positions

Series Co-Editor, Policy Briefs, European Observatory on Health Systems and Policies (2006 - 2016)
Policy Liaison Editor, Effective Practice and Organization of Care (EPOC) Review Group, Cochrane Collaboration (2006 - 2012)

Journal Editorial Boards and Editorial Advisory Boards

Cochrane (2019 -)
Eurohealth (2006 - 2015)
Evidence & Policy (2010 -)
Health Reform Observer (2017 - 2019)
Health System in Transition (HiT) series (2006 - 2015)
Implementation Science (2005 - 2012)
Journal of Health Services Research & Policy (2005 - 2017)

Journal Referee

American Journal of Managed Care (2004)
BMC Health Services Research (2013)
Bulletin of the World Health Organization (2003)
Canadian Medical Association Journal (1998, 2008)
Chronic Disease Prevention (2010)
Governance: An International Journal of Policy and Administration (1995)
Health Affairs (1998, 2001, 2002)
Health Policy (2006)
Health Policy and Planning (1999, 2004, 2013)
Health Reform Observer (2019)
Health Research Policy and Systems (4 in 2006)
Implementation Science (2008, 2009, 2010)
Journal of Clinical Epidemiology (2009)
Journal of Health Economics (1999, 2001, 2002, 2003)
Journal of Health Services Research & Policy (2003, 2006, 2008)
Lancet (2003, 2005, 2006, 2008)
Meducator (2010, 2011, 2012, 2013, 2014)
Milbank Quarterly (2002, 2005, 2006, 2007)
Social Science & Medicine (1997, 1998, 2000, 2001, 2002, 2003, 2005, 2006)
Systematic Reviews (2012)

Report Referee

Royal Commission on the Future of Health Care in Canada (2002)
Ontario Health System Strategic Plan – Strengthening Health Systems Governance (2006)
World Health Organization – The Evolving Role of Research for Health (2008)
Primary Health Care Research and Information Service – Knowledge Translation Support Teams: An International Review (2015)

Visiting Scholar

Texas Institute for Society and Health, Houston, TX, USA (3-4 December 2002)

Faculty of Nursing and School of Business, University of Alberta, Edmonton, AB, Canada (10-11 February 2003)

Institut de recherche et de documentation en économie de la santé (IRDES), Paris, France (1 July 2003 – 30 June 2004)

Host to Visiting Scholars

Carol Ashton, Chief, General Medicine Section, Michael E. DeBakey VA Medical Center; Chief, Health Services Research Section, Department of Medicine and Professor of Medicine and Medical Ethics, Baylor College of Medicine; Director, Houston Center for Quality of Care and Utilization Studies, Houston, TX, USA (22 August 2005 – 21 October 2005)

Helen Burchett, Doctoral Student, Centre for Population Studies, London School of Hygiene and Tropical Medicine, London, England (25 June 2007 – 27 July 2007)

Julie McDonald, Research Fellow, Research Centre on Primary Health Care and Equity, University of New South Wales, Sydney, NSW, Australia (9-19 October and 5-9 November 2007)

Maria Jose Diaz Gonzalez, Doctoral Student, Department of Ecology, Universidad Autonoma de Madrid, Madrid, Spain (5 June 2008 – 28 August 2008)

Fadi El-Jardali, Assistant Professor, Department of Health Policy and Management, American University of Beirut, Beirut, Lebanon (1 February – 31 May 2009)

Cristian Herrera Riquelme, Final Year Student, MD Programme, Pontificia Universidad Católica de Chile, Santiago, Chile (31 May 2009 – 20 June 2009)

Magnolia del Pilar Ballesteros Cabrera, Doctoral Student in Public Health, Universidad Nacional de Colombia, Bogota, Colombia (6 September – 2 November 2011)

Katherine Smith, Post-Doctoral Fellow, University of Edinburgh, Edinburgh, Scotland (2-31 January 2012)

Pierre Ongolo-Zogo, Doctoral Student, Makerere University, Kampala, Uganda (January – December 2012)

Luz Arlette Saavedra Romero, Doctoral Student, National Institute of Public Health, Cuernavaca, Mexico (24 May – 30 June 2012)

Rhona Mijumbi, Doctoral Student, Makerere University, Kampala, Uganda (September 2012 – August 2013)

André Zida, Doctoral Student, Makerere University, Kampala, Uganda (January – December 2013)

Olagoke Akintola, Senior Lecturer, University of KwaZulu-Natal, Durban, South Africa (January 2013 – January 2014)

Ross Bailie, Senior Principal Research Fellow, Menzies School of Health Research, Brisbane, Australia (April – May 2013)

Ekwaro Obuku, Doctoral Student, Makerere University, Kampala, Uganda (January – April 2014)

Boniface Mutatina, Doctoral Student, Makerere University, Kampala, Uganda (January – April 2014)

Ana Paula Cavalcante de Oliveira, Doctoral Student, Instituto de Higiene e Medicina Tropical (Institute of Hygiene and Tropical Medicine), Universidade Nova de Lisboa (New University of Lisbon), Lisbon, Portugal (October 2014 – January 2015)

Luis Meave Gutiérrez Mendoza, Assistant Professor, Facultad de Medicina (Faculty of Medicine), Universidad Autónoma de San Luis Potosí (Autonomous University of San Luis Potosí), San Luis Potosí, Mexico (September 2015)

Adhra Al-Mawali, Director of Studies & Research Centre, Ministry of Health, Muscat, Oman (June 2015)

Tatiana Alexandra Montoya Gonzalez, MD student, Universidad de Antioquia, Medellín, Colombia (August – November 2018)

Guideline Panels

Chair, Optimizing the Delivery of Key Interventions to Attain Millennium Development Goals 4 and 5 (Optimize4MNH), World Health Organization (16-19 October 2012)

Advisory Committees

Member, Conference Organizing Committee, Population Health Perspectives: Making Research Work (July - October 1999)

Member, Partnerships Meeting Planning Committee, Canadian Population Health Initiative (October 2001 - January 2002)

Theme Leader (International), AcademyHealth Annual Research Meeting (September 2002 - June 2003)

Special Advisor, Ontario HIV Treatment Network (OHTN) Research Day 2003 Planning Committee (January - November 2003)

Chair, Institute for Work & Health (IWH) Knowledge Transfer and Exchange Advisory Committee (January 2003 - December 2004)

Member, International Scientific Committee, Second International Conference on Local and Regional Health Programmes: Strengthening the Integration of Promotion and Prevention in Health Systems (May 2003 - October 2004)

Member, Task Force on Health Systems Research, World Health Organization (December 2003 - March 2005)

Member, Community Advisory Committee on the Cost-Effectiveness of Interventions Related to HIV, Inner City Health Research Unit, St. Michael's Hospital (September 2004 – August 2006)

Member, Institute Advisory Board (IAB), Institute for Health Services and Policy Research (IHSPR), Canadian Institutes of Health Research (September 2004 – August 2007; re-appointed September 2007 – August 2009)

Member, Strategic Research Working Group, IHSPR IAB (September 2004 – October 2006)

Member, Partnerships Working Group, IHSPR IAB (September 2004 – October 2006)

Member, Access to Care Across the Continuum Subcommittee, IHSPR IAB (November 2006 - March 2007)

Chair, International Strategy and Partnerships Subcommittee, IHSPR IAB (June 2007 – June 2009)

Member, Impact and Evaluation Sub-Committee, IHSPR IAB (September 2009 – June 2010)

Theme Leader (Translating Research into Policy & Practice), AcademyHealth Annual Research Meeting (September 2004 - June 2005)

Member, External Advisory Committee, Houston Center for Quality of Care and Utilization Studies, Houston, TX, USA (November – December 2004)

Chair, Research Support Network Advisory Committee, Ontario HIV Treatment Network, Toronto, ON, Canada (July 2005 – June 2009)

Member, Scientific and Technical Advisory Committee, Alliance for Health Policy and Systems Research, Geneva, Switzerland (November 2005 – October 2011)

Member, Scientific Committee, Annual Public Health Days (Journées annuelles de santé publique), Quebec City, QC, Canada (November 2005 – October 2006)

Member, Canadian Institutes of Health Research (CIHR) Standing Committee for Performance Measurement, Evaluation and Audit (SCPMEA), one of five permanent advisory committee of the CIHR Governing Council (January 2006 – December 2008)

Member, Planning Committee, International Dialogue on Evidence-informed Action for Health in Developing Countries (IDEA-Health), Khon Kaen, Thailand (December 2005 – December 2006)

Member, Advisory Committee, Global Knowledge Translation Survey, World Health Organization (March 2006 – June 2007)

Member, Advisory Roundtable, Heart Failure Consensus Conference Recommendations Program, Canadian Cardiovascular Society (April 2006 - March 2007)

Member, Knowledge Brokering Strategy Development Steering Committee, Cancer Care Ontario (August 2006 - June 2007)

President, Advisory Committee on Health Research, Pan American Health Organization (April 2007 – July 2014)

Member, (Global) Advisory Committee on Health Research, World Health Organization (April 2007 - March 2015)

Chair, Evidence-Informed Policy Networks (EVIPNet) Global Resource Group (June 2007 - May 2010)

Member, Evidence-Informed Policy Networks (EVIPNet) Global Steering Group (June 2007 -)

Member, Planning Committee, AcademyHealth 25th Annual Research Meeting (August 2007 – June 2008)

Member, Planning Committee, CIHR Summer Institute 2008: Innovation in Knowledge Translation Research and Knowledge Translation (April – June 2008)

Chair, Evidence-Informed Policy Networks (EVIPNet) Global Steering Group (November 2009 -)

Member, Scientific Committee, First Global Symposium on Health Systems Research - Promoting Science to Accelerate Universal Health Coverage (December 2009 – November 2010)

Member, Task Force on Developing Health Systems Guidance (or Task Force on the Evaluation of Research Evidence for the Production and Implementation of Guidelines for Health Systems), World Health Organization (December 2009 – December 2011)

Member, Working Group on Health Systems Evidence Synthesis, Alliance for Health Policy and Systems Research, World Health Organization (April 2010 – March 2016)

Member, Scientific Advisory Committee, World Health Report 2013: No Health Without Research, World Health Organization (January 2011 – April 2013)

Member, Scientific Advisory Committee, Second Global Symposium on Health Systems Research - Promoting Science to Accelerate Universal Health Coverage (October 2011 – November 2012)

Member, Scientific Committee, 2013 Cochrane Colloquium (January 2012 – September 2013)

Chair, Steering Group, McMaster Optimal Aging Portal (January 2012 -)

Member, Senior Advisory Committee, Implementation Science (May 2012 – February 2015)

Member, AcademyHealth's Translation and Dissemination Institute Planning Committee (June 2012 – December 2013)

Member, Nursing Quality Indicators for Reporting and Evaluation (NQuIRE) International Advisory Committee (December 2012 – December 2017)

Member, Task Group on Scientific Evidence, Advisory Committee for Ontario's Immunization System Review (December 2012 – June 2013)

Member (International Advisor), Primary Health Care Research, Evaluation and Development (PHCRED) Strategy Advisory Committee, Department of Health and Ageing, Australian Government (July 2013 – December 2014)

Member, Scientific Advisory Committee, Third Global Symposium on Health Systems Research (October 2013 – September 2014)

Member, Ontario SPOR SUPPORT Unit (OSSU) Operational Management Team (OMT) (December 2013 -)

 Member, Training & Capacity Building Working Group, OSSU OMT (March 2014 -)

 Member, Knowledge Translation Working Group (March 2014 -)

 Member, Knowledge Mobilization Advisory Committee (April 2016 -)

 Member, Renewal Feasibility Committee (October 2016 -)

Officer, Thematic Working Group Translating Evidence into Action, Health Systems Global (January 2014 – December 2017)

Member, Visioning Group, Global Evidence Synthesis Initiative, Switzerland (January 2014 – December 2016)

Member, Steering Group, University of Johannesburg-led Building Capacity to Use Research Evidence (BCURE), South Africa (March 2014 - December 2016)

Member, Joint Secretariat, Prince Mahidol Award Conference, Thailand (September 2014 – January 2016)

Member, Research Advisory Committee, Centre of Research Excellence for Integrated Quality Improvement, Australia (December 2014 – November 2019)

Member, Academic Council, Centro de Estudios de Estado y Sociedad - CEDES (Centre for Studies of the State and Society), Buenos Aires, Argentina (February 2015 -)

Member, Ontario Smoking Cessation Strategy Advisory Group, Ontario Ministry of Health and Long-Term Care, Toronto, ON, Canada (March 2015 – November 2015)

Member, Quebec SPOR SUPPORT Unit's Scientific Council/Conseil scientifique de l'Unité méthodologique de soutien à la recherche axée sur le patient (SRAP) du Québec (August 2015 -)

Member, Healthcare System Reference Group (an advisory body to the Quality Management Partnership, a collaboration between the College of Physicians and Surgeons of Ontario and Cancer Care Ontario) (November 2015 - October 2019)

Member, Patient Engagement (PE) and Integrated Knowledge Translation (iKT) Committee for the HIP ATTACK Trial (December 2015 – December 2018)

Member, Optimizing Evidence Uptake in Ontario Task Force (February 2016 – December 2018)

Member, Knowledge Translation Strategy Working Group, Cochrane Collaboration (February 2016 – May 2017)

Member, Scientific Advisory Board, ADVOCATE: Added Value for Oral Care (June 2016 – June 2018)

Chair, Technical Advisory Group, Health in the Americas + 2017, the flagship publication of the Pan American Health Organization (July 2016 – September 2017)

Member, Advisory Group, Think Tank Workshop on Knowledge Translation, CIHR Institute for Population and Public Health (September – January 2017)

Member, Program Committee, Cochrane Canada Symposium 2017 (December 2016 – April 2017)

Member, Cochrane Knowledge Translation Advisory Group (June 2017 –)

Member, Advisory Group, Africa Centre for Evidence, University of Johannesburg, South Africa (June 2017 –)

Member, Scientific Advisory Committee, Dignitas International (July 2017 – June 2019)

Member, Advisory and Support Group, Global Evidence Synthesis Initiative (August 2017 –)

Member, Advisory Committee on Health Research, Eastern Mediterranean Regional Office, World Health Organization (October 2017 – September 2019)

Member, Advisory Committee, Africa Evidence Network (January 2018 – December 2019)

Chair, Nursing Quality Indicators for Reporting and Evaluation (NQUIRE) International Advisory Committee (January 2018 –)

Member, Technical Advisory Group, Department of Evidence and Intelligence for Action in Health, Pan American Health Organization (April 2018 – March 2019)

Member, Governance Committee, Converge3 (formerly Centre for Evidence and Health in All Policies) (April 2018 – June 2019)

Member, Advisory Board, Caribbean Centre for Health Systems Research and Development (September 2018 -)

Member, Cochrane Editorial Board (February 2019 -)

Member, Governance Sub-committee, Evidence Synthesis International (February 2019 -)

Member, Scientific Programme Advisory Committee, Symposium on Using Qualitative Evidence to Inform Decisions in the SDG era (February - October 2019)

Member, Future Skills Centre's International Evaluation Advisory Committee (August 2019 -)

Member, Capacity Sub-Committee, Premier's Council on Improving Health Care and Ending Hallway Medicine (October 2019 – March 2020)

Member, Advisory Committee, Canada Research Chair in Person-Centred Interventions for Older Adults with Multimorbidity and their Family Caregivers (November 2019 -)

Member, Scientific Committee, 2020 Cochrane Colloquium (November 2019 – June 2020, then postponed due to COVID-19)

Member, Sax Institute Knowledge Exchange Advisory Group (January 2020 -)

Member, Advisory Board, Closing the Gap Healthcare Group Inc. (January 2020 -)

Member, Ontario Health Teams Supports Central Coordination Committee (February 2020 -)

Member, Board, National Medical Research Council, Singapore (April 2020 – March 2022)

Member, COVID-19 Science Advisory Table, Government of Ontario (July 2020 – December 2020)

Member, Lancet Commission on COVID-19 Task Force on Public Health Measures (November 2020 -)

Areas of Interest

Supporting the use of research evidence in policymaking

Politics of health systems

Honours

Fife House Award (Fife House Foundation Inc., awarded 14 January 2003)

Annual award given for lifetime contributions to Fife House (awarded 14 January 2003)

McMaster Student Union Teaching Award (McMaster University, awarded 12 March 2003)

Annual award given to the top-rated instructor in the Faculty of Health Sciences

Health Research Methods (HRM) Program Teaching Award (McMaster University, nominated 27 March 2003)

Annual nomination process for full-time faculty members teaching in the Health Research Methods Program

Canadian Health Services Research Foundation (CHSRF) Family Award (CHSRF, awarded 21 March 2007)

One-time award given to the two individuals who have been the Executive Training for Research Application (EXTRA) program's "most voluble champions" (co-recipient: Jean Rochon)

Clinical Epidemiology and Biostatistics-Affiliated Education Programs (CE&B) Mentoring/Supervision Excellence Award (McMaster University, awarded 17 September 2009)

Annual award given to a full-time faculty member teaching in Clinical Epidemiology and Biostatistics-Affiliated Education Programs

President's Award for Excellence in Graduate Supervision (nominated fall 2014 and fall 2017; awarded on 2 November 2017)

Annual award for which a small number of nominees are put forward from across the university (and one of four awardees in 2017)

CIHR Barer-Flood Prize in Health Services and Policy Research (November 2015)

Annual award given to a Canadian researcher who has had a transformative impact through health services and policy research

Fellowship in the Canadian Academy of Health Sciences (September 2019 -)

One of the highest honours for members of the Canadian health sciences community

Courses Taught

Undergraduate

Course Developer, HS 3GG3 (Health Systems and Health Policy) (2002-03)

Course Re-Developer, HS 3GG3 (Health Systems and Health Policy) (2014-15)

Course Coordinator, HS-3GG3 (Health Systems and Health Policy)
(alone for Winter 2003, 2005, 2006, 2007, 2008, 2009, 2010, 2012, 2013)
(shared with Mike Wilson for Winter 2014, 2015, 2016, 2017, 2019, 2020)
(alone for Fall 2019)
(shared with Mike Wilson for Fall 2020)

Course Developer, HS 4YY3 (McMaster Health Forum practicum), which subsequently was originally developed as HS 4D03 (Special topics: McMaster Health Forum practicum) (Summer 2009)

Course Coordinator, HS 4YY3 (McMaster Health Forum practicum)
(Winter 2010, 2012, 2013, 2014, 2015, 2016, 2017)
(handled course administration and instructor supervision in Winter 2018 and 2019)

Course suite re-developer, all HS courses led by the Department of Health Evidence and Impact (2018-19)

Graduate

Course Co-coordinator, CHS-730 (Determinants of the Health of Populations)
(Spring 1998, 1999)

Course Coordinator, CHS-730 (Determinants of the Health of Populations)
(Spring 2000, 2001, and 2002)

Course Co-Developer, HP-711 (Doctoral Seminar in Health Policy)
(2008)

Course Coordinator, HP-711 (Doctoral Seminar in Health Policy)
(Winter 2009, 2010, 2012, 2013, 2014, 2015, 2016, 2017, 2019)

Course Lecturer, HP-711 (Doctoral Seminar in Health Policy)

(Three seminars in 2020)

Course Coordinator, HP-798 (Independent Study in Health Policy)
(Spring and Fall, 2015 – 1 student, Fall 2016 and Winter 2017 – 1 student)

Post-graduate

Course Developer, Finding and Using Research Evidence to Inform Decision-making in Health Systems and Organizations (Health Systems Learning)
(September 2013 - January 2014)

Course Developer, Setting Agendas and Developing and Implementing Policies (Health Systems Learning)
(September 2014 - January 2015)

Course Developer, Masterclass on the Conduct and Use of Patient-Oriented Research (Ontario SPOR SUPPORT Unit)
(September 2015 – April 2016; plus re-development as Virtual Masterclass from January – March 2019)

Supervisory Activities

Undergraduate

Advisor, Student publications

Rayzie Shulman and Naweed Raza, Co-editors, Health policy section, McMaster University Medical Journal, Undergraduate MD Programme (Year 2), McMaster University (September 2002 – August 2003)

Avi Denburg and Kashif Yousuf, Co-editors, Health policy section, McMaster University Medical Journal, Undergraduate MD Programme (Year 1), McMaster University (September 2003 – August 2004)

Jeannette So, Writer, Health policy section, McMaster Meducator Journal, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005)

Adeel Sheikh and Joanne Bostwick, Co-editors, Health policy and public health section, McMaster University Medical Journal, Undergraduate MD Programme (Year 1), McMaster University (February 2007 – December 2007)

Advisor, Students

Lauren Mac, Individual study, Arts and Science Programme (Year 4), McMaster University (co-supervised with Julia Abelson) (September 1998 - May 1999)

Kassia Johnson, Medical studies, Undergraduate MD Programme (Years 1-3), McMaster University (September 2000 - June 2003)

Supervisor, Electives

Rebecca Comley, Horizontal elective, Undergraduate MD Programme (Year 3), McMaster University (January - March 1998)

Dave Robertson, Block elective, Undergraduate MD Programme (Year 3), Queen's University (April 2001 - August 2002)

Student was awarded the Queen's University Department of Community Health and Epidemiology Award at graduation for research done under my supervision

Rayzie Shulman and Naweed Raza, Horizontal elective, Undergraduate MD Programme (Year 1), McMaster University (co-supervised with Greg Stoddart) (November 2001 - June 2002)

Peter Holloway, Horizontal elective, Undergraduate MD Programme (Year 3), McMaster University (February 2003)

Timothy Griffen, Horizontal elective, Undergraduate MD Programme (Year 2), McMaster University (May - June 2003)

Rayzie Shulman, Vertical elective, Undergraduate MD Programme (Year 3), McMaster University (November 2003 – March 2004)

Student was awarded a Canadian Institutes of Health Research Health Professional Student Research Award valued at \$4048.00 to undertake research under my supervision

Ryan Hoskins, Vertical elective, Undergraduate MD Programme (Year 2), McMaster University (July 2006 – May 2007)

Emily Groot, Vertical elective, Undergraduate MD Programme (Year 2), McMaster University (June 2009 – July 2009)

Paul Benassi, Vertical elective, Undergraduate MD Programme (Year 1), McMaster University (July 2009)

Supervisor, Research internships

Karl Wong and Scott Munro, Research internship, Undergraduate PT Programme (Year 2), McMaster University (co-supervised with Elspeth Finch) (April - July 1998)

Mary Henri, Research practicum, HS 4L02, Bachelor of Science in Nursing Programme (Year 4), McMaster University (May 2001 - July 2001)

Report examiner, Third-year inquiry projects

Asif Ashraf, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (February 2005 – March 2005)

Carol McLean, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (August 2005)

Carol King, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2006 – March 2006)

Supervisor, Third-year inquiry projects

Kristy Armstrong, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2003 - April 2003)

Kiran Jakate, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2003 - April 2003)

Hugh Boyd, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2004 - April 2004)

Juan Russo, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005 – April 2006)

Claire Dyason, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005 – August 2005)

Hannah Bolen, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2007 – June 2007)

Lindsay Fleming, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2008 – April 2009)

Brandon Webber, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – April 2010)

Jessica Moore, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – April 2010)

Jennifer Edge, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – April 2010) – Co-supervised with Cristina Catalo

Alvin Keng, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – April 2010) – Co-supervised with Cristina Catalo

Tianxiu Hugh Guan, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (May – June 2010)

Justin Neves, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (July – December 2011)

Harrison Niznick, A&S 3X03, Arts and Sciences Programme (Year 4), McMaster University (September 2011 – January 2012)

Lebei Pi, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – April 2012)

Andrew Soave, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – June 2013)

Tony Jin, HS 3H03, Bachelor of Health Sciences Programme (Year 2), McMaster University (January – December 2015)

Aditya (Dave) Nidumolu, HS 3H03, Bachelor of Health Sciences Programme (Year 2), McMaster University (January – December 2015)

Alexandra Killian, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2015 – April 2016)

Jean Wang, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2016 – January 2017)

Christine Jo, LifeSCI 3RP3, Life Sciences Programme (Year 3), McMaster University (January – April 2017)

Supervisor, Fourth-year inquiry projects

John Snelgrove, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2005 – December 2005)

Lindsay Fleming, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ameya Bopardikar, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ben McCutchen, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Malik Elharam, BHSc 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2012 – April 2013)

Justin Neves, BHSc 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (January 2013 – April 2013)

Supervisor, Fourth-year major projects

Steven Hoffman, HS 4B06, Bachelor of Health Sciences Programme (Year 3/4), McMaster University (September 2006 – December 2006)

Julia Shen, HS 4B06, Bachelor of Health Sciences Programme (Year 4), McMaster University (January 2015 – April 2015)

Krista Kruja, BHSc 4B06, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2015 – April 2016)

Aditya Nidumolu, BHSc 4B06 (and 4D03), Bachelor of Health Sciences Programme (Year 4), McMaster University (June 2016 – August 2016)

Tasneem Warwani, ARTSCI 4C06, Arts and Science Programme Year 4), McMaster University (September 2020 – April 2021)

Kartik Sharma, ARTSCI 4C06, Arts and Science Programme Year 4), McMaster University (September 2020 – April 2021)

Supervisor, Fourth-year honours theses

Kristy Armstrong, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: Cross-provincial health initiative follow-up study: An investigation into the uptake of 'determinants of health' knowledge in policy sectors other than health in Canada (September 2003 - April 2004)

Kiran Jakate, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: The presentation of syntheses to policymakers on funder websites in Canada, the UK and the US: The influence of the 1:3:25 rule for policy-friendly writing (September 2003 - April 2004)

Michael Wilson, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: Health care reform in Ontario: Case studies of the Trillium Drug Plan and the Cardiac Care Network policy decisions (September 2003 - April 2004)

Steven Hoffman, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (July 2006 – April 2007)

Student was awarded a BHSc Summer Research Scholarship valued at \$2000.00 to undertake research under my supervision

Student was awarded an Ashley Studentship for Research in Tobacco Control valued at \$7000.00 to undertake research under my supervision

Peter Young, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – April 2007)

Jason Shrouder-Henry, HS 4A06, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – June 2007)

Jonathan Sachs, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – April 2007)

Gillian Dharmai, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2007 – April 2008)

Tom Charters, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2007 – April 2008)

Prince Dhillon, HS 4B06, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2008 – April 2009)

Colin Kew, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2008 – April 2009)

Sara Imran, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Daniel Fortino, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ali Hamandi, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Louis Winston, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (February 2012 – April 2013)

Lebei Pi, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2012 – April 2013)

James Bao, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2012 – April 2013)

Lily Ye, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (May 2013 – April 2014)

Amanda Chen, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (May 2013 – April 2014)

Arun Partridge, HS 4A09 (combination of 4B06 and 4W03), Bachelor of Health Sciences Programme (Year 4), McMaster University (April 2014 – April 2015)

Matthew Hughsam, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (August 2015 – April 2016)

Malcolm Hartman, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2016 – April 2017)

Supervisor, McMaster Health Forum Fellows

Steven Hoffman, Bachelor of Health Sciences Programme (Year 3), McMaster University (July 2008 – March 2009)

Tyler Law, Bachelor of Health Sciences Programme (Year 3), McMaster University (July 2008 – March 2009)

Andrew Cheung, Bachelor of Health Sciences Programme (Year 3), McMaster University (April – August 2009)

Ali Hamandi, Bachelor of Health Sciences Programme (Year 3), McMaster University (April – August 2009)

Lindsay Hoffman, Bachelor of Health Sciences Programme (Year 3), McMaster University (April 2009 – August 2010)

Ameya Bopardikar, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – August 2010)

Ben McCutchen, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – August 2010)

Ali Hamandi, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – June 2010)

Teresa To, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (September 2010 – August 2011)

Ahmad Al-Khatib, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (September 2010 – August 2011)

Margherita Cina, Arts and Science Programme (Year 3), McMaster University (May 2011 – April 2012)

Justin Neves, Bachelor of Health Sciences Programme (Year 3), McMaster University (May 2011 – April 2012)

Ariela Rosenek, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2011 – August 2012)

Harrison Niznick, Arts and Science Programme (Year 4), McMaster University (September 2011 – August 2012)

Sherna Tamboly, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2012 – August 2013)

Emily Milko, Arts and Science Programme (Year 4), McMaster University (September 2012 – August 2013)

Cheryl Young, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2013 – August 2014)

Zain Rizvi, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2013 – August 2014)

Mentor, Pediatric Science Development Program

Avi Denburg, Hospital for Sick Children

Research project: Deliberative justice: Toward ethical, evidence-informed policy on pediatric cancer control in low- and middle-income countries (September 2012 – August 2013; student resigned from program to enroll in McMaster's Health Policy PhD program)

Supervisor, Indigenous Undergraduate Summer Research Scholars (IUSRS) program

Kody Doxtater, Western University

Research project: Ontario's health system from the perspective of its aboriginal people (July – August 2015)

Graduate

Co-supervisor, graduate course project

Emmanuel Guindon, Econ 791 – Contemporary issues in the economics of health and health care, Department of Economics, McMaster University (February 2006 – April 2006)

Supervisor, Master's research internships/practicums

Rory McDonagh, M.Sc., Health Research Methodology, McMaster University (September 2001 - August 2002)

Emily Groot, M.P.H., University of Toronto (February – June 2012)

Member, Master's thesis committees

Sarah Carrie, M.Sc., Health Research Methodology, McMaster University (July 2007 –April 2009)

Thesis: Intergovernmental collaboration in the prevention and mitigation of HIV/AIDS in the Great Lakes Region of Africa: A qualitative case study

Supervisor, Master's students

Astrid Guttman, M.Sc., Health Research Methodology, McMaster University (July 1998 - June 2001)

Completed a paper and courses in lieu of thesis

Martha Paynter, Ph.D., Health Research Methodology, McMaster University (September 2004 – August 2007)

Michael G. Wilson, M.Sc., Health Research Methodology, McMaster University (July 2005 – August 2006)

Student was awarded an Ann Poucher Windsor Ontario Graduate Scholarship in Science and Technology (OGSST) to undertake his Master's studies under my supervision (July 2005 – June 2006)

Student was approved to transfer directly into the Ph.D. program before completing all requirements for the Master's program

Jonathan Sachs, M.Sc., Health Research Methodology, McMaster University (September 2007 – September 2009)

Thesis: Evaluating a knowledge-translation platform in Malaysia

Rayzie Shulman, M.Sc., Health Research Methodology and Clinician Investigator Program, McMaster University (September 2008 – August 2009; transferred to a PhD program at another university before completing her degree)

Karolina Kowalewski, M.Sc., Global Health, McMaster University (September 2011 – April 2012)

Project: The use of policy-relevant documents in health policymaking

Tommaso D'Ovidio, M.Sc., Health Research Methodology, McMaster University (September 2014 – September 2016)

Thesis: Public deliberation for health system decision-making: An evaluative case study of the McMaster Health Forum's citizen panels

Supervisor, Master's thesis projects

Kim Arcus, M.Sc., Department of Social Science and Administration, London School of Economics and Political Science (July 2002 - September 2002)

Internal reviewer, Master's thesis proposals

Patricia Collins, M.Sc., Health Research Methodology, McMaster University (May 2003)

External examiner, Master's theses

Michael A. Albert, M.Phil., Program: International Community Health, Department of General Practice and Community Medicine, University of Oslo; Thesis: Factors influencing the utilization of research findings by health policy-makers in a developing country: A case study of Mali's essential medicines list (7 June 2006)

Member, Doctoral transfer committees

PJ Devereaux, M.Sc. to Ph.D., Health Research Methodology, McMaster University (November - December 2001)

Tasnim Sinuff, M.Sc. to Ph.D., Health Research Methodology, McMaster University (July 2002)

Michael G. Wilson, M.Sc. to Ph.D., Health Research Methodology, McMaster University (August 2006)

Supervisor, Centre for Health Economics and Policy Analysis (CHEPA) doctoral studentships

Theresa Garvin, Ph.D., Department of Geography, McMaster University (co-supervised with Mita Giacomini and Jonathan Lomas) (May - Sept 1997)

Albert Agyeman-Duah, Ph.D., Department of Political Science, McMaster University (co-supervised with Jonathan Lomas) (September - December 1997)

Vandna Bhatia, Ph.D., Department of Political Science, McMaster University (May - August 1998)

Vandna Bhatia, Ph.D., Department of Political Science, McMaster University (January 2002 - August 2002)

Supervisor, Independent study

Rebecca Morgan, Ph.D., Department of Clinical Epidemiology and Biostatistics, McMaster University (May 2015 - April 2016)

Thomas Piggott, Ph.D., Department of Health Evidence and Impact, McMaster University (November 2018 – March 2020)

Examiner, Doctoral comprehensive examinations

Susan Askin, Ph.D., School of Nursing, McMaster University (October 1999 - November 2000)

John McLennan, Ph.D., Health Research Methodology, McMaster University (January - May 2001)

Soo Chan Carusone, Ph.D., Health Research Methodology, McMaster University (February 2003 – June 2003)

Tina Karwalajtys, Ph.D., Health Research Methodology, McMaster University (March 2005 – June 2005)

Adalberto Loyola-Sánchez, Ph.D., Rehabilitation Sciences, McMaster University (December 2011 – March 2012)

Member, Doctoral thesis committees

Alina Gildiner, Ph.D., Department of Health Administration, University of Toronto (March 1999 - June 2001)

Thesis: What's past is prologue: a historical-institutional analysis of public-private change in Ontario's rehabilitation health sector

Sergio Rueda, Ph.D., Department of Health Policy, Management, and Evaluation (Clinical Epidemiology Program), University of Toronto (May 2002 – April 2011)

Thesis: Labour-force participation and health-related quality of life in people living with HIV

Kerry Robinson, Ph.D., Health Research Methodology, McMaster University (November 2002 - September 2007)

Thesis: The transfer and uptake of capacity for chronic disease prevention in regional public health organizations in Canada

François-Pierre Gauvin, Ph.D., Health Research Methodology, McMaster University (December 2003 – September 2008)

Thesis: Public involvement in health technology assessment agencies

Dominique Acolet, Ph.D., London School of Hygiene and Tropical Medicine (March 2004 - not completed; Deceased September 2008)

Chris McLeod, Ph.D., Department of Health Care and Epidemiology, University of British Columbia (May 2006 – September 2009)

Thesis: Unemployment and health in context and comparison: A study of Canada, Germany and the United States of America

Helen Burchett, Ph.D., London School of Hygiene and Tropical Medicine (July 2007 - July 2010)

Thesis: Perceptions of the usefulness of public health research in Ghana

Stephanie Montesanti, Ph.D., Health Policy, McMaster University (March 2009 – November 2013)

Thesis: The participation of marginalized populations in health services planning and decision-making

Other committee members: Julia Abelson (supervisor), James Dunn

Sherri Brown, Ph.D., Political Science, McMaster University (October 2010 – February 2012)

Thesis: Global public-private partnerships for HIV/AIDS-related pharmaceuticals: Operational and normative issues, challenges and prospects

Other committee members: Stephen McBride and Tony Porter

Pierre Ongolo-Zogo, Ph.D., Health Policy, Makerere University (September 2010 -)

Thesis: Evaluating initiatives to support evidence-informed health policymaking in Cameroon and Uganda

Other committee members: Nelson Sewankambo (Makerere University) and Goran Tomson (Karolinska Institute)

Rhona M. Mijumbi, Ph.D., Health Policy, Makerere University (September 2011 -)

Thesis: A rapid response service to meet policymakers' urgent needs for health systems research evidence

Other committee members: Nelson Sewankambo (Makerere University) and Andy Oxman (Norwegian Knowledge Centre for the Health Services)

André Zida, Ph.D., Health Policy, Makerere University (September 2011 – April 2019)

Thesis: Institutionalization of a rapid response mechanism providing research evidence for urgent decision making in the Burkina Faso health system

Other committee members: Nelson Sewankambo (Makerere University) and Bocar A. Kouyaté (Centre Hospitalier Universitaire Yalgado Ouadraogo)

Adalberto Loyola-Sánchez, Ph.D., Rehabilitation Sciences, McMaster University (December 2011 – April 2015)

Thesis: Development of a culturally sensitive program to improve the functioning and health of people living with osteoarthritis in the Mayan community of Chikindzonot, Yucatán, Mexico

Other committee members: Julie Richardson (chair), Seanne Wilkins, Ingris Peláez-Ballestas (National Institute of Public Health)

Denis Ako-Arrey, Ph.D., Health Policy, McMaster University (February 2012 - July 2015)

Thesis: Health system guidance appraisal: Better guidance for better health systems

Other committee members: Melissa Brouwers, Mita Giacomini

Mark Embrett, Ph.D., Health Policy, McMaster University (March 2012 – December 2016)

Thesis: Government-led resource withdrawal from inappropriate healthcare services

Other committee members: Glen Randall, Michelle Dion

Ekwaro Obuku, Ph.D., Health Policy, Makerere University (September 2012 -)

Thesis: Does students' research support evidence-informed health policies and systems in Uganda? A mixed-methods study of institutions of higher learning

Other committee members: Nelson Sewankambo, Charles Karamagi, Freddie Ssenooba, and David Mafigiri (Makerere University)

Boniface Mutatina, Ph.D., Health Policy, Makerere University (September 2012 -)

Thesis: Evaluating the usability and factors affecting the utilization of the Uganda clearinghouse for health policy and systems

Other committee members: Nelson Sewankambo (Makerere University), Goran Tomson (Karolinska Institute)

Melodie Song, Ph.D., Health Policy, McMaster University (April 2014 – September 2018)

Thesis: Making sense of social media for public health decision-makers: The case of childhood immunization in Ontario

Other committee members: Julia Abelson, Anatoliy Gruzd

Awards: Taiwanese Studying Abroad Scholarship

Ivan Florez, Ph.D., Health Research Methods, McMaster University (October 2014 – October 2020)

Thesis: The role of clinical practice guidelines in decision-making beyond the clinical encounter

Other committee members: Melissa Brouwers

Ashleigh Miatello-Skrubbeltrang, Ph.D., Health Policy, McMaster University (November 2014 -)

Thesis: Patient experience in health policymaking

Other committee members: Gillian Mulvale

Marcela Velez, Ph.D., Health Policy, McMaster University (November 2014 – March 2019)

Thesis: Understanding the role of values in the health policy decision-making process about health-system financing

Other committee members: Mike Wilson, Julia Abelson

Awards: Scholarship for doctoral studies, Colciencias (2014); International Excellence Award, McMaster University (2015-2016 and 2016-2017); Excellence in Poster Presentation, Faculty of Health Sciences, McMaster University (2016); Graduate Program Award, McMaster University (2017 and 2018); Excellence in Oral Presentation, Faculty of Health Sciences, McMaster University (2017); and Graduate Student International Trainee Award for Excellence, McMaster University (2018)

Tanja Kuchenmüller, Dr. Public Health, University of Bielefeld (April 2016 – March 2019; withdrew from committee due to change in direction)

Other committee members: Thomas Gerlinger

Sultana Al-Sabahi, Ph.D., Health Policy, McMaster University (November 2016 – August 2020)

Thesis: Establishing policy-support organizations

Other committee members: Mike Wilson, Kaelan Moat, Fadi El-Jardali

Awards: International Excellence Award, McMaster University (2017-18); Graduate Program Outstanding Excellence Award, Faculty of Health Sciences, McMaster University (2018)

Benard Miregwa, Ph.D., Health Policy, McMaster University (January 2017 -)

Thesis: Understanding the factors influencing the development and implementation of universal prescription drug coverage programs and their impacts

Other committee members: Mike Wilson

Chair, Doctoral thesis committees

John McLennan, Ph.D., Health Research Methodology, McMaster University (May 2002 - February 2005)

Thesis: The research-practice gap in child mental health services: The case of parenting interventions in a Canadian city

Student was awarded a Health Research Clinical Fellowship Award from the Alberta Heritage Foundation for Medical Research to undertake his doctoral studies under my supervision (July 2002 – December 2004)

Martha Paynter, Ph.D., Health Research Methodology, McMaster University (September 2004 – August 2006 then took a leave from the doctoral program and later transferred to the MSc program)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2004 – August 2005)

Amanda Hammill, Ph.D., Health Research Methodology, McMaster University (September 2005 - August 2007; on medical leave)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2005 – August 2006)

Jennifer Boyko, Ph.D., Health Research Methodology, McMaster University (September 2006 – September 2010)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2006 – August 2007)

Thesis: Deliberative dialogues as a mechanism for knowledge translation and exchange

Michael G. Wilson, Ph.D., Health Research Methodology, McMaster University (September 2006 – August 2010)

Thesis: Supporting the use of research evidence by community-based organizations in the health sector

Student was awarded an Interdisciplinary Capacity Enhancement (ICE) trainee scholarship to undertake his doctoral research under my supervision (September 2007 – August 2008)

Student was awarded an Ontario Graduate Scholarship to undertake his doctoral research under my supervision (September 2008 – August 2009)

Nathan M. Souza, Ph.D., Health Research Methodology, McMaster University (September 2007 – May 2012; leave of absence from December 2010 – August 2011; withdrew effective 31 May 2012)

Thesis: Supporting the use of research evidence in the Brazilian primary healthcare system

Other committee members: Lisa Dolovich, Brian Haynes

Kaelan Moat, Ph.D., Health Policy, McMaster University (September 2009 – November 2013)

Thesis: Evidence briefs as a mechanism for knowledge transfer and exchange: Assessing views about, experiences with, and influences of policy-relevant research syntheses in low- and middle-income countries

Other committee members: Julia Abelson, Parminder Raina

Awards: Centre for Health Economics and Policy Analysis Doctoral Fellowship (2009-2010) and Ontario Graduate Scholarship (2011-2012, 2012-2013, fall 2013), as well as three travel awards [Fergus Mills Scholarship, March 2010; Department of Clinical Epidemiology and Biostatistics Travel Award (November 2012); and McMaster Graduate Student's Association Travel Award (December 2012)] and two Faculty of Health Sciences Graduate Programs Excellence Award (May 2012 and May 2013)

Jessica Shearer, Ph.D., Health Policy, McMaster University (September 2009 – January 2014)

Thesis: Social networks, research evidence and innovation in health policymaking in Burkina Faso

Other committee members: Julia Abelson, Michelle Dion, Gill Walt (London School of Hygiene and Tropical Medicine)

Awards: Harry Lyman Hooker Doctoral Fellowship (2009-2013); Canadian Institutes of Health Research (CIHR) Frederick Banting and Charles Best Graduate Scholarship (2010-2013); Faculty of Health Science Graduate Excellence Award (2010, 2011, 2012)

Daniel Patino Lugo, Ph.D., Health Policy, McMaster University (September 2010 - September 2014)

Thesis: Supporting the use of research evidence in the Colombian health system

Other committee members: Mita Giacomini, Brian Haynes

Awards: COLCIENCIAS Doctoral Award (2010-2014), Ontario Training Centre in Health Services and Policy Research Diploma Award (2011-12), McMaster University School of Graduate Studies International Excellence Award (2012-13), IDRC Doctoral Research Award (2013-14)

Edward Gariba, Ph.D., Health Policy, McMaster University (September 2010 – July 2015)

Thesis: User testing, usage and impact of a one-stop shop targeted at improving policymakers' and stakeholders' use of research evidence in health policymaking processes in African countries

Other committee members: Lisa Schwartz, Fadi El-Jardali

Liz Alvarez, Ph.D., Health Policy, McMaster University (September 2011 – April 2016)

Thesis: The development, implementation and evaluation of a health systems guidance workbook: Supporting the contextualization of the World Health Organization's (WHO) 'Optimizing the delivery of key interventions to attain Millennium Development Goals 4 and 5' (Optimize4MNH) guidance at the national level

Other committee members: Melissa Brouwers, Lisa Schwartz

Awards: Ontario Graduate Fellowship (2012-13), Vanier Canada Graduate Scholarship (2013-16)

Jaime Ardila Salcedo, Ph.D., Health Policy, McMaster University (September 2012 – December 2018; temporary leave from July – December 2014 and from January 2019 –)

Thesis: The nature and health system-related determinants of, and policy levers to enhance, the health of LGBT people

Other committee members: Mike Wilson, Gillian Mulvale

Awards: KT Canada Fellowship Award (2012-14), Ontario Trillium Scholarship (2012-16)

Cristina Mattison, Ph.D., Health Policy, McMaster University (September 2013 – September 2017)

Thesis: The roles of midwives in health systems

Other committee members: Mike Wilson, Eileen Hutton, Michelle Dion

Heather Bullock, Ph.D., Health Policy, McMaster University (September 2014 – August 2019)

Thesis: The role of implementation in mental health systems improvement

Awards: Trudeau Foundation Doctoral Scholarship (2016-18); Ontario Graduate Scholarship (2016-17)

Kassu Gurmu, Ph.D., Health Policy, McMaster University (September 2014 – January 2020)

Thesis: Narrowing the evidence-action gap in the Prevention of Mother to Child Transmission of HIV/AIDS (PMTCT) program in Ethiopia: What can we learn to enhance other health programs?

Awards: Vanier Canada Graduate Scholarship (2015-18)

Mohammad Kibria, Ph.D., Health Policy, McMaster University (September 2015 – August 2020)

Thesis: Harnessing evidence and values in health policy implementation

Other committee members: Julia Abelson, Kaelan Moat

Awards: Ontario Graduate Scholarship (2016-17)

Ahmad Firas Khalid, Ph.D., Health Policy, McMaster University (September 2015 – September 2019)

Thesis: Supporting the use of research evidence to inform health policy and system change in crisis

Awards: Ontario Graduate Scholarship (2015-16, 2016-17, 2017-18 and 2018-19); Queen Elizabeth Scholarship in Strengthening Health Systems (2016); Dalley Fellowship (2016); Excellence in Poster Presentation Award, Faculty of Health Sciences, McMaster University (2016); Canadian Institutes of Health Research (CIHR) Travel Award (2016); Graduate Student Association (GSA) Keith Leppmann Teaching Assistance Excellence Award (2016 and 2017); GSA Travel Assistance Award (2016 and 2017); Graduate Programs Excellence Award, Faculty of Health Sciences, McMaster University (2016, 2017 and 2018); Graduate Student Leadership Award (2017); Mary Keyes Award for Outstanding Leadership and Service (2017); Grant in Aid of Travel Research and Field Study Fund (2018); Emerging Voices Global Health Leader Fellow, Health Systems Global (2018); Queen Elizabeth Scholarship in Strengthening Health and Social Systems

Michael Scarpitti, Ph.D., Health Policy, McMaster University (September 2016 – December 2017; withdrew)

Thesis: Unpaid caregivers of elderly patients

Ahmednur Ali, Ph.D., Health Policy, McMaster University (September 2016 -)

Thesis: How policy can support guideline implementation

Awards: Ontario Graduate Scholarship (2016-17); Michael G. DeGroot Doctoral Scholarship of Excellence (2016-18); Graduate Programs Excellence Award, Faculty of Health Sciences, McMaster University (2018); Wilson Leadership Scholarship Award (2019-20)

Hussam Albugami, Ph.D., Health Policy, McMaster University (September 2016 - August 2018; withdrew)

Thesis: Privatization in the health system of the Kingdom of Saudi Arabia

Co-supervised with Arthur Sweetman

Qi Wang, Ph.D., Health Policy, McMaster University (September 2017 -)

Thesis: The development, adaptation and implementation of health-systems guidance

Awards: Ontario Trillium Scholarship (2017-21)

Ahmed Belal, Ph.D., Health Policy, McMaster University (September 2017 -)

Thesis: Giving citizens a voice in policy decisions about health systems

Cara Evans, Ph.D., Health Policy, McMaster University (September 2018 -)

Awards: Ontario Graduate (Doctoral) Scholarship (2018-19, 2019-20)

Cristian Mansilla, Ph.D., Health Policy, McMaster University (September 2019 -)

Awards: Programa Becas Chile para doctorado en el extranjero (doctoral scholarship from the government of Chile; 2019-23); Queen Elizabeth Scholarship in Health and Social System Strengthening (2019-20)

Kerry Waddell, Ph.D., Health Policy, McMaster University (September 2019 -)

Internal examiner, Doctoral thesis

John McLennan, Ph.D., Health Research Methodology, McMaster University; Thesis: The research-practice gap in child mental health services: The case of parenting intervention in a Canadian Community (February 2005)

François-Pierre Gauvin, Ph.D., Health Research Methodology, McMaster University; Thesis: Public involvement in health technology assessment agencies (September 2008)

Michael Wilson, Ph.D., Health Research Methodology, McMaster University; Thesis: Supporting evidence use in community-based organizations (August 2010)

Jennifer Boyko, Ph.D., Health Research Methodology, McMaster University; Thesis: Deliberative dialogues as a mechanism for knowledge translation and exchange (September 2010)

Sherri Brown, Ph.D., Political Science, McMaster University; Thesis: Private authority and global health governance (February 2012)

Stephanie Montesanti, Ph.D., Health Policy, McMaster University; Thesis: Deliberative dialogues as a mechanism for knowledge translation and exchange (November 2013)

Kaelan Moat, Ph.D., Health Policy, McMaster University; Thesis: Evidence briefs as a mechanism for knowledge transfer and exchange: Assessing views about, experiences with, and influences of policy-relevant research syntheses in low- and middle-income countries (November 2013)

Kassu Gurmu, Ph.D., Health Policy, McMaster University; Thesis: Strategies to facilitate evidence-informed and participatory health policymaking in Ethiopia (January 2020)

External examiner, Doctoral theses

Louise-Hélène Trottier, Ph.D., Programme: Santé publique (Public health), Option: Organization des soins de santé (Health care organization), Université de Montréal; Thesis: L'utilisation des connaissances: Au cœur des

relations de coopération entre les acteurs [The utilization of knowledge: At the heart of cooperative relations between actors] (December 2002)

Brendan Gibson, Ph.D., Program: Public Health, The Australian National University; Thesis: From transfer to transformation: Rethinking the relationship between research and policy (December 2003)

Mathieu Ouimet, Ph.D., Department: Political Science, Université Laval; Thesis: Le transfert de la recherche universitaire au Canada: Le comportement des chercheurs en médecine étudié à l'aide de l'analyse de cheminement [The transfer of scholarly research in Canada: The behaviour of medical researchers studied with the aid of path analysis] (August 2004)

Lyne Sauvageau, Ph.D., Programme: Santé publique (Public health), Option: Organization des soins de santé (Health care organization), Université de Montréal; Thesis: La vaccination des enfants des régions de l'Outaouais, des Laurentides et de Lanaudière contre la méningite en janvier 1992: Décisions politiques, expertise et transfert de connaissances [The immunization of children in Outaouais, Laurentians and Lanaudiere against meningitis in January 1992: Policy decisions, expertise and the transfer of knowledge] (January 2006)

Jalila Jbilou, Ph.D., Department: Community Health, Université Laval; Thesis: Adaptation des Résultats de Recherche: Définition, Mesures et Enjeux pour les chercheurs en santé au Canada [Adaptation of research findings: Definition, Measures and Challenges for Health Researchers in Canada] (March 2008)

Elena Laroche, Ph.D., Faculty: Management, Université Laval; Thesis: Étude de la production de la recherche et de ses mécanismes de transfert – Une application au domaine de la santé et de la sécurité du travail au Canada [Study of the production of research and related transfer mechanisms: An application to the work-related health and safety domain in Canada] (March 2009)

Gabriel Moore, Ph.D., Faculty of Medicine, University of Sydney; Thesis: When, why and how do policymakers use commissioned rapid reviews of research in health policies and programs? (May 2018)

Mentor, Diploma in Health Services and Policy Research

Martha Paynter, Ontario Training Centre in Health Services and Policy Research (September 2005 – August 2006)

Amanda Hammill, Ontario Training Centre in Health Services and Policy Research (September 2006 – June 2012; delayed for medical reasons)

Jennifer Boyko, Ontario Training Centre in Health Services and Policy Research (September 2006 – December 2008)

Michael G. Wilson, Ontario Training Centre in Health Services and Policy Research (September 2007 – December 2008)

Jon Sachs, Ontario Training Centre in Health Services and Policy Research (September 2008 – February 2009)

Kaelan Moat, Ontario Training Centre in Health Services and Policy Research (April 2010 – June 2012)

Daniel Patiño Lugo, Ontario Training Centre in Health Services and Policy Research (April 2011 – June 2012)

Postgraduate

Co-supervisor, Postdoctoral fellowship

Moktar Lamari (co-supervised with Mark Sproule-Jones) (August - November 2000)

Fellow was awarded a peer-reviewed post-doctoral fellowship from the Fonds pour la Formation de chercheurs et l'aide à la recherche (FCAR)

Alina Gildiner (co-supervised with Will Coleman) (July 2002 - June 2004)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Social Sciences and Humanities Research Council

Nancy Carter (co-supervised with Joanne Profetto-McGrath, University of Alberta) (July 2009 – June 2011)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Canadian Health Services Research Foundation

Supervisor, Postdoctoral fellowship

Alina Gildiner (April 2001 - June 2002)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Institute for Work & Health

Mathieu Ouimet (October 2004 - August 2006)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Canadian Health Services Research Foundation

Cristina Catallo (September 2009 – December 2011)

Fellow was awarded a postdoctoral fellowship with funding from the European Observatory on Health Systems and Policies

Moriah Ellen (September 2009 – February 2012)

Co-Supervisor, Residency rotation

Mustafa Hirji (10 April – 2 July 2014; co-supervised with Julie Emili)

Fourth year post-graduate trainee in public health and preventive medicine

Matthew Tenenbaum (1 July – 31 October 2016; co-supervised with Julie Emili)

Fourth year post-graduate trainee in public health and preventive medicine

Joanne Kearon (15 January – 6 May 2019; co-supervised with Mustafa Hirji)

Second year post-graduate trainee in public health and preventive medicine

Teaching in Health Research Methods Courses

Tutor, HRM 721 (Fundamentals of Health Research Evaluation Methods)

Session 11: Health Economics (7 August 1998)

Tutor, HRM 722 (Special Topics in Clinical Epidemiology)

Vince Yacychyn (January - November 1998)

Resource person, HRM 772 (PhD Seminar)

Session: Linking research to action (6 September 2005; 22 June 2006)

Teaching in Other McMaster Courses or Initiatives

Lecturer, CHS-730 (Determinants of the Health of Populations)

Session 1: What If Clinicians and Health Administrators Understood the Determinants (9 January 2003)

Session 6: Complex Interactions Among Determinants (10 February 1998, 11 February 1999)

Session 10: Links Between Determinants and Policy Change (17 March 1998, 18 March 1999, 16 March 2000, 15 March 2001, 21 March 2002, 20 March 2003)

Principal Tutor, CHS-730 (Determinants of the Health of Populations)

(Spring 2000, 2001, and 2002)

Educational Initiative in Health Economics and Health Policy Analysis for Health Professionals

Sessions for first- and second-year medical students

(20 November 1997, 9 March 1998, 7 April 1999, 15 December 1999, 15 September 2000, 4 April 2001, 7 September 2001, 12 September 2002, 13 September 2002, 17 September 2004, 10 February 2005, 11 January 2006, 7 March 2006, 14 March 2006, 4 April 2006, 11 April 2006)

Sessions for third-year (unit 6) medical students

(24 March 2003, 27 March 2003)

Sessions for first-year nursing and midwifery students in HS 3B03

(28 October 1997, 10 November 1998, 19 October 1999, 17 October 2000, 16 October 2001, 5 November 2002, 2 November 2004, 18 October 2005)

Sessions for undergraduate physiotherapy and/or occupational therapy students

(23 October 1997, 6 October 1998, 26 October 1999, 26 January 2000, 24 January 2001, 29 May 2001)

Sessions for graduate physiotherapy and/or occupational therapy students

(24 October 2001, 6 June 2002, 15 May 2003, 12 May 2005, 8 May 2006)

Series for paediatrics residents

(4 August 1999, 11 August 1999, and 18 August 1999)

Series for community medicine residents

(20 April 2000, 27 April 2000, and 11 May 2000)

Session for public health and preventive medicine residents

(14 September 2012)

Series for psychiatry residents

(17 and 24 January 2001)

Series for radiology residents

(27 March 2002, 3 April 2002, and 10 April 2002)

Session for clinician-scientists

(14 April 2003, 17 May 2005, 1 June 2010)

Session for diploma in occupational health and safety studies students

(25 October 2000)

Session for Leadership Development Programme (7 May 1998)

Sessions for Faculty Development Seminar Series

(Year 1: 27 May 1999, 24 June 1999, 27 September 1999, 25 October 1999, 22 November 1999, 13 December 1999, 10 January 2000, 13 March 2000, 10 April 2000, 8 May 2000, and 12 June 2000)

(Year 2: 7 September 2000, 21 September 2000, 5 October 2000, 19 October 2000, 2 November 2000, 16 November 2000, 30 November 2000, and 14 December 2000)

(Year 3: 6 September 2001, 20 September 2001, 4 October 2001, 25 October 2001, 8 November 2001, 22 November 2001, 6 December 2001, and 20 December 2001)

McMaster Health Forum Fellowships – Internship component (co-supervised)

Steven Hoffman, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Sara Bennett (May – July 2007)

Tyler Law, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Sara Bennett (May – July 2008)

Andrew Cheung, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (May – July 2009)

Ali Hamandi, Eastern Mediterranean Regional Office, World Health Organization – Co-supervised by Abdul Ghaffar (May – July 2009)

Lindsay Hoffman, Planning Unit, Ontario Ministry of Health and Long-Term Care (May – July 2009)

Ali Hamandi, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (January – April 2010)

Lindsay Hoffman, Health Evidence Network, Regional Office for Europe, World Health Organization – Co-supervised by Govin Permanand (May – June 2010)

Ameya Bopardikar, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2010)

Ben McCutchen, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2010)

Justin Neves, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Kent Ranson (May – June 2011)

Margherita Cina, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Kent Ranson (June – July 2011)

Teresa To, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2011)

Ahmad Al-Khatib, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2011)

Daniel Patino Lugo, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Kent Ranson (April – June 2012)

Ariela Rosenek, Department of Knowledge Management and Sharing, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2012)

Harrison Niznick, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Kent Ranson (June – July 2012)

Yuwei Juliana Wu, Department of Knowledge Management and Sharing, World Health Organization – Co-supervised by Ulysses Panisset (July – August 2012)

Karen So, Health Evidence Network, Regional Office for Europe, World Health Organization – Co-supervised by Govin Permanand (July – August 2012)

Emily Milko, Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Kent Ranson (May – July 2013)

Sherna Tamboly, Department of Knowledge Management and Sharing, World Health Organization – Co-supervised by Ulysses Panisset (May – July 2013)

Lebei Pi, Division of Health Systems, Regional Office for Europe, World Health Organization – Co-supervised by Govin Permanand (May – July 2013)

James Bao, Division of Information, Evidence, Research and Innovation, Regional Office for Europe, World Health Organization – Co-supervised by Tanja Kuchenmüller (May – July 2013)

Zain Rizvi, Department of Knowledge Management and Sharing, World Health Organization – Co-supervised by Ulysses Panisset (May – July 2014)

Cheryl Young, Department of Knowledge Management and Sharing, World Health Organization – Co-supervised by Ulysses Panisset (May – July 2014)

Other internships (co-supervised)

Claudia Franfurter, Research Promotion and Development team, Pan American Health Organization – Co-supervised by Luis Gabriel Cuervo (June – July 2015)

Arun Partridge, Health Systems and Public Health team, WHO Regional Office for Europe – Co-supervised by Govin Permanand (June – July 2015)

McMaster Health Forum Scholars in Health System Strengthening (supervised)

Matthew Hughsam (intern; South Africa; 2015)

Queen Elizabeth Scholars in Health System Strengthening (supervised)

Joycelyne Ewusie (incoming scholar; Ghana, 2015-16)

Boniface Mutatina (incoming scholar; Uganda; 2016)

Nicola Gailits (outgoing scholar; India; 2016)

Rhonda Boateng (outgoing scholar; Ghana; 2016)

Firas Khalid (outgoing intern; England; 2016)

Aditya (Dave) Nidumolu (outgoing intern; Trinidad & Tobago; 2016)

Inna Berditchevskaia (outgoing intern; Trinidad & Tobago; 2016)

Alexandra Kilian (outgoing intern; Australia; 2016)

Christopher Galano (outgoing intern; Australia; 2016)

Ben Li (outgoing intern; Australia; 2016)

Benard Miregwa (incoming scholar; Kenya; 2016-17)

Peter Malik (outgoing intern; Malawi; 2016)

Kristy Yiu (outgoing intern; South Africa; 2016)

Shawn Khan (outgoing intern.; Kenya; 2017)

Abirami Kirubarajan (outgoing intern; England; 2017)

Michael Parvizian (outgoing intern; Australia; 2017)

Jean (Zhuo Jing) Wang (outgoing intern; Australia; 2017)

Eilish Scallan (outgoing scholar; Australia; 2017)

Elysia Grose (outgoing intern; Malaysia; 2017)

Lucshman Raveendran (outgoing intern; Malaysia; 2017)

Seana Adams (outgoing intern; Malaysia; 2017)

Daniel Lu (outgoing intern; Singapore; 2017)

Yung Lee (outgoing intern; England; 2017)

Malcolm Hartman (outgoing intern; South Africa; 2017)

Paddy Sreeram (outgoing intern; Australia; 2017)

Vishwathsen Karthikeyan (outgoing intern; India; 2017)

Sung Min (Steven) Cho (outgoing intern; Trinidad and Tobago; 2017)

Cameron Taheri (outgoing intern; Trinidad and Tobago; 2017)

Matthew Yau (outgoing intern; England & South Africa; 2017)

Anson Cheung (outgoing intern; England; 2017)

Ozi Akporuno (incoming scholar; Nigeria; 2017)

Tahmina Shamsheri (outgoing intern; England; 2017)

Mobeen Mubasher (outgoing intern; South Africa; 2017)

Jessica Jacob (outgoing intern; Australia; 2017)

Abeera Shahid (outgoing intern; Australia; 2017)

Mijia Murong (outgoing intern; Uganda; 2018)

Alex Dragoman (outgoing intern; Malaysia; 2018)

Bolade (Ajarat) Shipeolu (outgoing intern; Malaysia; 2018)

Chloe Gao (outgoing intern; Australia; 2018)

Fanny Cheng (outgoing intern; Australia; 2018)

Peter Youssef (outgoing intern; South Africa; 2018)

Robert Redelmeier (outgoing intern; England; 2018)

Sabrina Lin (outgoing intern; Malawi; 2018)

Steven Chen (outgoing intern; Australia; 2018)

Tereza Zetko (outgoing intern; Malaysia; 2018)

Kadia Kallap (incoming scholar; Trinidad and Tobago; 2018)

Chinwe Juliana Iwu (incoming scholar; South Africa; 2018)

Ka Keat Lim (incoming scholar; Singapore; 2018)

Pippy Walker (incoming scholar; Australia; 2018)

Luka Campbell (incoming scholar; Australia; 2018)

Edward Kyongo (incoming scholar; Uganda; 2018)

Kelsey Chalmers (incoming scholar; Australia; 2018)

Subhashini Subramaniam (incoming scholar; Malaysia; 2018)

Zafeer Ravat (incoming scholar; South Africa; 2018)

Tess Padayachee (incoming scholar; South Africa; 2018)

Ananya Nair (outgoing intern; Trinidad and Tobago; 2018)

Kathy Huang (outgoing intern; South Africa; 2018)

Nawazish Naqvi (outgoing intern; Australia; 2018)

Yina Shan (outgoing intern; Australia; 2018)

Gareth Leung (outgoing intern; Trinidad and Tobago; 2018)

Peter Belisiotis (outgoing intern; South Africa; 2019)

Queen Elizabeth Scholars in Health and Social System Strengthening (supervised)

Firas Khalid (outgoing intern; Lebanon; 2018)

Abeer Ahmad (outgoing intern; Lebanon; 2019)

Christie Tan (outgoing intern; Trinidad and Tobago; 2019)

Hannah Serrano (outgoing intern; Trinidad and Tobago; 2019)

Kartik Shama (outgoing intern; South Africa; 2019)

Grace Zhou (outgoing intern; Australia; 2019)

Natalie Tchakerian (outgoing intern; South Africa; 2019)

Other Educational Activities

Interviewer, Harvard College Admissions Committee (January - February 2000, November 2000, January - February 2001, November 2001, November 2002)

Lead Faculty, Module 1 (later Module 2 with Module 1 being delivered online): Promoting the Use of Research-Based Evidence in Health-Care Organizations, Executive Training for Research Application (August 2004, August 2005, August 2006, August 2007, August 2008, August 2009, August 2010, August 2011, August 2012, August 2013, August 2014)

Lead Faculty, Summer Institute Course: Promoting the Use of Research-Based Evidence in Health-Care Organizations (Políticas de salud sobre bases científicas: La utilización efectiva de resultados de investigación), National Institute of Public Health (Mexico) (August 2006)

Lead Faculty, National Institute for Clinical Studies (NICS) Masterclass, Melbourne, Australia (May 2007)

Lead Faculty, Regional East African Community Health – Policy (REACH-Policy) Training Workshop, Arusha, Tanzania (June 2007)

Instructor, EPI 5188: Health Technology Assessment, University of Ottawa (30 October 2008)

Lead Faculty, Workshop on Applying Research Evidence for Technical Cooperation, Annual Pan American Health Organization (PAHO) Managers' Meeting, Quito, Ecuador (14 November 2008)

Lead Faculty, SUPPORT Workshop on Using Research Evidence in Policymaking (1.5 days each)

Rosario, Argentina (November 2006)
- Policymakers from Argentina

Santiago, Chile (October 2007)
- Policymakers from Chile

Cape Town, South Africa (November 2007)
- Policymakers from South Africa (both provincial and national levels), as well as Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia, Mozambique, and Zambia

Bogota, Colombia (February 2009)
- Policymakers from Colombia, Mexico, Paraguay, and Trinidad & Tobago

St. Lucia (April 2009)
- Policymakers (chief medical officers) from 16 Caribbean countries

Bogota, Colombia (June 2009)

- Policymakers from Argentina, Bolivia, Colombia, and Peru

Lead Faculty, EVIPNet Workshop on Policy Briefs (5 days each)

Arusha, Tanzania (June 2007)

- Policymakers and researchers from the East African Community (Kenya, Tanzania, and Uganda)

Addis Ababa, Ethiopia (February 2008)

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia, Mozambique, and Zambia

Kuala Lumpur, Malaysia (February 2009)

- Policymakers and researchers from China (each of Beijing municipality and Shandong and Sichuan provinces), Laos, Malaysia, Philippines, and Vietnam

Paris, France (March 2009) – Co-Lead

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia, Mozambique, and Zambia

Kampala, Uganda (September 2009) – Co-Lead

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Burundi, Kenya, Rwanda, Tanzania, Uganda), and Ethiopia

Santiago, Chile (October 2009) – Co-Lead

- Policymakers and researchers from Argentina, Brazil, Chile, Costa Rica, Mexico, Mexico/US border region

Malé, Maldives (September 2012) – Lead

- Policymakers, stakeholders and researchers from Maldives, Sri Lanka and Thailand

Shanghai, China (September 2013) – Lead

- Policymakers, stakeholders and researchers from China, Lao PDR and Vietnam

Lead Faculty, Workshop on Using Research Evidence in Policymaking (1 day each)

Toronto, Canada

- Policymakers from the Ontario Ministry of Health and Long-Term Care (9 July 2008, 26 September 2008, 24 November 2008, 20 January 2009, 6 March 2009, 26 January 2010, 12 February 2010, 23 February 2010, 2 March 2010, 12 November 2010, 12 January 2011, 14 January 2011, 15 October 2013, 10 January 2014, 7 February 2014)
- Policymakers from the Ontario Ministry of Research and Innovation (11 January 2011)
- Staff from the College of Physicians and Surgeons of Ontario and from the Ontario Medical Association (22 September 2009)
- Staff from the College of Physicians and Surgeons of Ontario and from the Ontario Medical Association (15 January 2010)

Ottawa, Canada

- Policymakers from Health Canada (28 April 2009)

Port of Spain, Trinidad and Tobago

- Policymakers from the Ministry of Health and managers from regional health authorities (5 October 2009)

Canberra, Australia

- Policymakers from the Australian Government's Department of Health and Ageing (18 May 2010)

Medellin, Colombia

- Policymakers, stakeholders and researchers involved in supporting guideline implementation in Colombia (11 November 2011)

Copenhagen, Denmark

- Staff from the World Health Organization (WHO) Regional Office for Europe (1 May 2013)

Lead Faculty, Workshop on Using Research Evidence in Policymaking (3 hours each)

Toronto, Canada

- Policymakers from the Ontario Ministry of Health and Long-Term Care (22 March 2010, 29 March 2010, 19 November 2012, 3 December 2012)

Melbourne, Australia

- Policymakers, stakeholders and researchers from Australia (24 October 2012)

Hamilton, Canada

- Chief medical officers, public health leaders and public health residents from southern Ontario (30 September 2013)

Lead Faculty, Workshop on Using Research Evidence in Policymaking (1.5 hours each)

Ottawa, Canada

- Policymakers from Health Canada (30 April 2009)

Toronto, Canada

- Policymakers from the Ontario Ministry of Health and Long-Term Care (8 February 2010)

Canberra, Australia

- Policymakers from the Australian Government's Department of Health and Ageing (17 May 2010)

Copenhagen, Denmark

- Senior executive team from the World Health Organization (WHO) Regional Office for Europe (1 May 2013)
- Staff of the World Health Organization (WHO) Regional Office for Europe division of health systems (3 September 2013)

Toronto, ON, Canada

- Directors and managers in the public health division of the Ontario Ministry of Health and Long-Term Care (29 January 2014)

Faculty, CIHR Knowledge Synthesis Training and Mentorship Program

Ottawa, Canada

- Module 1 (30 April and 1 May 2009)
- Module 3 (1 December 2009)

Lead Faculty, EVIPNet/Knowledge Translation Platform (KTP) Evaluation Workshop (4 days)

Kampala, Uganda (August 2009)

- Policymakers, knowledge brokers and researchers from Argentina, Bangladesh, Burkina Faso, Cameroon, Central African Republic, Nigeria, Zambia, and the East African Community (Burundi, Kenya, Rwanda, Tanzania, Uganda)

Lead Faculty, Workshop on Evidence-Informed Policymaking, World Health Organization Regional Office for Europe, Copenhagen, Denmark (23-24 February 2012)

Lead Mentor, Evidence to Policy Fellows

Fadi El-Jardali, Lebanon (August 2009 – July 2012)

Tomas Pantoja, Chile (August 2009 – July 2012)

Mashida Rashid, Bangladesh (August – December 2009)

Jean-Serge Ndongo, Cameroon (August – December 2009)

Lonia Mwape, Zambia (August – December 2009)

Co-Lead Faculty, CCGHR's 1st Annual Global Health Research Learning Forum- Competency Workshop on Integrated Policy Briefs (1.5 hours each)

Ottawa, ON, Canada (October 2009)

- Policymakers, program staff, researchers and students from Canada (2 sessions)

Co-Lead Faculty, IDRC International Research Chair in Evidence-Informed Health Policies and Systems – Research to Policy Workshop (4 days)

Kampala, Uganda (September 2010)

- Doctoral trainees from Cameroon, Canada, Kenya, Rwanda, Tanzania, and Uganda

Kampala, Uganda (September 2011)

- Doctoral trainees from Burkina Faso, Cameroon, Canada, Kenya, Tanzania, and Uganda

Yaoundé, Cameroon (April 2012)

- Doctoral trainees from Burkina Faso, Cameroon, and Uganda (as well as EVIPNet teams from Burkina Faso, Cameroon, Ethiopia and Uganda)

Addis Ababa, Ethiopia (August 2012)

- Doctoral trainees from Burkina Faso, Cameroon, Canada and Uganda

Yaoundé, Cameroon (May/June 2013)

- Doctoral trainees from Burkina Faso, Cameroon, Canada and Uganda

Ougadougou, Burkina Faso (March 2014)

- Doctoral trainees from Burkina Faso, Cameroon, Canada and Uganda

Co-Lead Faculty, McMaster Health Forum Workshop: Finding and Using Research Evidence (2.5 hours)

Hamilton, Canada (March 2012, March 2013, November 2013, October 2014)

- Undergraduate and graduate students from McMaster University

Lead Faculty, Workshop on Using Research Evidence in Policymaking (2 days)

Riyadh, Saudi Arabia (26-27 November 2012)

- Policymakers and stakeholders from Saudi Arabia and select other Gulf states

Co-Facilitator, EVIPNet Europe Multi-Country Workshop (2 of 3 days)

- Izmir, Turkey (9-10 October 2013)
- Policymakers, stakeholders and researchers from 13 European countries
- Lead Faculty, Workshop on Using Research Evidence in Management (2 days)
- Riyadh, Saudi Arabia (15-16 December 2013)
- Managers from Saudi Arabia
- Lead Faculty, Workshop on Preparing Evidence Briefs for Policy (2 days)
- Riyadh, Saudi Arabia (17-18 December 2013)
- Researchers from Saudi Arabia
- Quebec City, QC, Canada (25-26 March 2014)
- Policymakers, stakeholders and researchers from Ontario and Quebec, Canada
- Lead Faculty, Workshop on Evidence-informed Policymaking and Evidence-brief Writing (2 days)
- Beirut, Lebanon (28-29 April 2014)
- Policymakers, stakeholders and researchers from Algeria, Bahrain, Egypt, Jordan, Lebanon, Syria and Tunisia
- Lead Faculty, Workshop on Preparing Evidence Briefs for Policy (13 hours online plus 2 days face-to-face)
- Quebec City, QC, Canada (25-26 March 2014)
- Policymakers, stakeholders and researchers from Ontario and Quebec, Canada
- Lead Faculty, Workshop on Using Research Evidence in Policymaking (13 hours online plus 3 hours face-to-face)
- Toronto, Canada
- Policymakers from the Ontario Ministry of Health and Long-Term Care (25 July 2014, 26 September 2014)
- Lead Faculty, Workshop on Finding and Using Research Evidence to Inform Policymaking (2 days)
- Muscat, Oman (17-18 March 2015)
- Policymakers and decision-makers from Oman
- Istanbul, Turkey (22-23 November 2015)
- Policymakers from Iraq
- Lead Faculty, Workshop on Supporting Evidence-informed Policymaking: From Research Evidence to Deliberative Dialogues to Expressed Demand (1 day)
- Lucerne, Switzerland (30 April 2015)
- Doctoral students from Switzerland
- Lead Faculty, From Evidence to Action: A Workshop on Writing Evidence Briefs for Policy – Canadian Association of Health Services and Policy Research (CAHSPR) Pre-Conference Workshop (3 hours)
- Montreal, QC, Canada (25 May 2015)
- Graduate students and junior faculty members from Canada
- Co-Lead Faculty, Health Systems Learning: Finding and Using Research Evidence (5 days)

Hamilton, ON, Canada (15-19 June 2015)

- Policymakers and researchers from Canada, Oman and Switzerland

Hamilton, ON, Canada (16-20 February 2016)

- Policymakers and researchers from Barbados, Canada, Switzerland and USA

Hamilton, ON, Canada (17-21 October 2016)

- Policymakers and researchers from Canada and Malaysia

Co-Lead Faculty, Working on Supporting Evidence-Informed Policymaking (2 days)

Bill and Melinda Gates Foundation, Seattle, WA, USA (5-7 October 2015)

- Policymakers and researchers from Ethiopia, Indonesia, Norway, Tanzania, Thailand, U.S.A, and U.K.

Co-Lead Faculty, Health Systems Learning: Finding and Using Research Evidence (1 day)

Winnipeg, MB, Canada (23 March 2016)

- Policymakers from Manitoba, Canada

Toronto, ON, Canada (18 July 2016)

- Policy makers from the Ministry of Education, Ontario, Canada

Lead Faculty, Masterclass on the Conduct and Use of Patient-Oriented Research (3 days each)

Toronto, ON, Canada (18-20 April 2016, 7-9 November 2016, 6-8 November 2017)

- Patients and families, healthcare providers, policymakers and managers, and researchers and research trainees from Ontario, Canada

Co-Lead Faculty, Health Systems Learning: Finding and Using Research Evidence (Half day at the Cochrane Canada Symposium 2017)

Hamilton, ON, Canada (11 May 2017)

- Patients and families, healthcare providers, policymakers and managers, and researchers and research trainees from across Canada (and select international participants)

Co-Lead Faculty, Supporting Policymakers in Using Synthesized Research Evidence (Half day at the Cochrane Governance meeting)

Krakow, Poland (3 April 2019)

- Cochrane staff and volunteers from central office, geographic centres, fields and review groups from many countries

Lead Faculty, Virtual Masterclass on the Conduct and Use of Patient-Oriented Research (11 weeks each)

Webinars, Hamilton, ON, Canada (25 February 2019 to 6 May 2019; 23 May 2019 to 1 August 2019; 9 September 2019 to 25 November 2019; 6 January 2020 to 23 March 2020)

- Patients and families, healthcare providers, policymakers and managers, and researchers and research trainees from Ontario, Canada

Research Funding

1994-95 Procter and Gamble Canada-U.S. Fulbright scholar (personnel award); Canada-U.S. Fulbright Commission; US\$15,000.00

- 1994-97 National health PhD fellow (personnel award); National Health Research and Development Program; \$74,745.84
- 1996-97 General Motors doctoral fellow (personnel award); Canadian Institute for Advanced Research; \$10,000.00
- 1997-98 Unemployment/underemployment and health: From understanding to action (research grant); Lavis JN (Principal Investigator); Population Health Fund, Government of Canada; \$24,565.00
- 1998 Employment, working conditions and health: A systematic review of cohort studies (research grant); Lavis JN (Principal Investigator), Mustard CA, Payne JI (Co-investigators); Health Canada; \$47,384.00
- 1998-99 Assessing health system change: Cross-sectoral resource allocation among human services in PEI (research grant); Eyles JD (Principal Investigator), Stoddart GL, Lavis JN (Co-investigators); Canadian Health Services Research Foundation; \$16,000.00 (with \$32,000.00 in matching funds from the Government of Prince Edward Island)
- 1998-99 Knowledge transfer in the health sector: The role of health services research in provincial policy making (research grant); Lavis JN and Hurley JE (Co-Principal Investigators), Abelson J, Giacomini M, Stoddart GL, Woodward CA (Co- Investigators); Canadian Health Services Research Foundation; \$42,500.00 (with \$80,000.00 in matching funds from the Ontario Ministry of Health and \$5,000.00 in matching funds from the Saskatchewan Health Services Utilization & Research Commission)
- 1998-99 Work-related determinants of health: The use of evidence and performance indicators by employers, workers and journalists (research grant); Lavis JN (Principal Investigator), Cole DC, Jadad A, Shannon HS, Woodward CA (Co-Investigators), Lohfeld L (Consultant); Networks of Centres of Excellence Program - Health Evidence Applications and Linkage Network; \$35,000.00
- 1998-00 Labour-force experiences and health (research grant); Mustard CA (Principal Investigator), Lavis JN, Shannon HS, Payne JI (Co-investigators); Canadian Population Health Initiative, Health Canada; \$195,000.00
- 1998-01 Doing better with bad kids: What happens to the research evidence? (research grant); Waddell C (Principal Investigator), Giacomini M, Lomas J, Offord DR (Co-Investigators), Abelson J, Lavis JN, Racine YA (Consultants); National Health Research and Development Program; \$147,000.00
- 1998-03 CIAR scholar award (personnel award); Canadian Institute for Advanced Research; \$65,000.00 per annum
- 1999-00 Unemployment and self-reported health status: A study in a Canadian and an American cohort (research grant); Lavis JN (Principal Investigator), Mustard CA (Co-Investigator); National Health Research and Development Program; \$35,000.00
- 1999-00 Conceptions and uses of population health ideas (research grant); Lavis JN (Principal Investigator), Stoddart GL, Evans RG (Co-Investigators); Networks of Centres of Excellence Program - Health Evidence Applications and Linkage Network; \$63,247.00
- 1999-00 Post-graduate diploma program for health services knowledge brokers: The summer program in knowledge brokering (training program development grant); Smith T, Goel V (Co-Principal Investigators), Cameron C, Haynes RB, Hurley JE, Jadad A, Lavis JN, Williams JI (Co-Investigators); Canadian Health Services Research Foundation; \$30,000.00

- 1999-01 Building a communications infrastructure: Thematic messages and interactive engagement (communications infrastructure grant); Gold I (Principal Investigator, formerly Monroe K), Abelson J, Lavis JN (Co-Investigators); Canadian Health Services Research Foundation; \$20,000.00
- 1999-01 A qualitative study of the psychosocial factors affecting return to work from long-term disability for people living with HIV/AIDS (research grant); Ferrier SE (Principal Investigator), Lavis JN (Co-Investigator); National Health Research and Development Program; \$16,411.00
- 1999-01 Health care utilization for work-related soft tissue injury: Understanding the role of providers (research grant); Payne JI (Principal Investigator), Lavis JN, Mustard CA, Bombardier C and Hogg-Johnson S (Co-Investigators); Medical Research Council of Canada; \$78,204.00
- 2000-01 Web-based literature database for population health and health-policy analysis courses in the new BHSc Programme; Lavis JN (Principal Investigator); McMaster University's One-Time Academic Priority Fund; \$20,000.00
- 2001-02 Search filters ("hedges") for health services research literature that is ready for application (research grant); Haynes RB (Principal Investigator), Lavis JN, Goel V (Co-Investigators); National Library of Medicine; US\$100,000.00
- 2001-02 Towards best practices in research transfer (research grant); Lavis JN (Principal Investigator), Abelson J, Gold I, Abernathy T, Bartram J, Clark K, Coutts J, Dobbins M (Co-Investigators); Ontario Ministry of Health and Long-Term Care; \$80,000.00
- 2001-03 Building language bridges between health services researchers and decision-makers (research grant); Ross SE (Principal Investigator), Lavis JN, Haynes RB, Goel V, Stoddart GL (Co-Investigators); Ontario Ministry of Health and Long-Term Care; \$82,738.00
- 2001-02 The truth about for-profit and not-for-profit delivery of health care (research grant); Devereaux PJ (Principal Investigator), Bhandari M, Bhatnagar N, Choi PTL, Cook DJ, Grant BJB, Guyatt GH, Haines T, Haslam D, Khan H, Lacchetti C, Lavis JN, Meade M, Schünemann H, Sullivan TJ (Co-Investigators); Hamilton Health Sciences Research Development Fund (\$10,994.00) and The Atkinson Charitable Foundation (\$45,000.00)
- 2001-02 Involving decision-makers in the research process: A study of CHSRF-funded research programs (research grant); Ross SE (Principal Investigator), Lavis JN, Denis J-L, Woodside J, Rodriguez R (Co-investigators); Canadian Health Services Research Foundation; \$40,388.00
- 2001-04 Is health services research different when decision-makers are involved? (operating grant); Lavis JN (Principal Investigator), Stoddart GL, Landry R, Norman G., Charles CA (Co-investigators); Canadian Institutes of Health Research ; \$191,556.00
- 2001-04 Knowledge transfer and uptake in policy-making environments: A research program focused on knowledge about the determinants of health (research program grant); Lavis JN (Principal Investigator), Stoddart GL, Ross SE (Co-Investigators); Canadian Population Health Initiative; \$425,000.00
- 2001-06 New investigator award (personnel support); Canadian Institutes of Health Research; \$250,000.00 over 5 years (declined offer because the award could not be held concurrently with a Canada Research Chair Tier II Award)
- 2001-06 Canada research chair in knowledge transfer and exchange – tier II (personnel support); Government of Canada, Canada Research Chairs; \$500,000.00 over 5 years

- 2002-04 Knowledge transfer and uptake in policy-making environments: Towards a virtual library and both virtual and real-world laboratories (infrastructure grant); Lavis JN (Principal Investigator); Canada Foundation for Innovation (\$64,418.00) and Ontario Innovation Trust (\$64,418.00)
- 2002-05 An international typology of disability policy systems (operating grant); Gildiner A (Principal Investigator), Lavis JN, Coleman W, Gunderson M (Co-investigators); Canadian Institutes of Health Research; \$182,913.00
- 2002-05 Understanding the influences on public values about health care services and financing: An empirical study (operating grant); Abelson J (Principal Investigator), Dornan C, Forest P-G, Giacomini M, Hurley JE, Lavis JN, Mendelsohn MJ, Miller FA, Morgan SG (Co-Investigators); Canadian Institutes of Health Research; \$416,272.00
- 2002-05 The health consequences of underemployment and contingent work (operating grant); Tompa E (Principal Investigator), Lavis JN, Mustard CA (Co-Investigators); Canadian Institutes of Health Research; \$134,643.00
- 2002-06 The health and safety consequences of underemployment and contingent work (research grant); Tompa E (Principal Investigator), Lavis JN, Mustard CA (Co-Investigators); Workplace Safety and Insurance Board Research Advisory Council; \$13,024.00
- 2002-03 A cross-provincial comparison of health care policy reform in Canada: Pilot study (operating grant); Lazar H (Principal Investigator), Lavis JN, Forest P-G, Gildiner A, Church W, Tomblin S, McIntosh T (Co-Investigators); Canadian Institutes of Health Research; \$147,200.00
- 2002 Commissioning a new political bargain for Canada's health-care system (research grant); Lavis JN (Principal Investigator), Abelson J, Forest P-G, Mendelsohn M (Co-Investigators); Commonwealth Fund; US\$12,000.00
- 2002-03 Systematic review of the cost of care in private for-profit versus private not-for-profit health care delivery systems (research grant); Devereaux PJ (Principal Investigator), Bayoumi A, Bhandari M, Choi P, Cook DJ, Grant BJB, Guyatt GH, Haines T, Lacchetti C, Lavis JN, Schünemann H, Sullivan TJ (Co-Investigators); The Atkinson Charitable Foundation; \$44,399.00
- 2003-05 A cross-provincial comparison of health care policy reform in Canada (operating grant); Lazar H (Principal Investigator), Lavis JN, Forest P-G, Gildiner A, Church W, Tomblin S, McIntosh T (Co-Investigators); Canadian Institutes of Health Research; \$393,524.00
- 2003-06 How do CIHR-affiliated research organizations transfer research knowledge to decision-makers? (operating grant); Lavis JN (Principal Investigator), Haynes RB, Abelson J, Dobbins M, Hayward CPM (Co-Investigators); Canadian Institutes of Health Research; \$295,228.00
- 2003-04 Systematic review of health outcomes in Canadian and American health care systems (research grant); Lexchin J, Guyatt GH (Co-Principal Investigators), Devereaux PJ, Yu V, Lavis JN, Yalnizyan A, Himmelstein D, Woolhandler S, Haines T, Goldsmith L, Cook D, Sullivan T (Co-Investigators); The Atkinson Charitable Foundation; \$58,434.16
- 2003-07 Effects of return-to-work on health-related quality of life in HIV/AIDS: A prospective cohort study (research grant); Mustard C (Principal Investigator), Rueda S, Lavis JN, Bayoumi A, Raboud J, Rourke S (Co-Investigators); Canadian Institutes of Health Research, HIV/AIDS Research Program; \$116,678.00
- 2003-04 Towards syntheses that inform health-care management and health policymaking (research grant); Lavis JN (Principal Investigator), Davies HTO, Denis J-L, Golden-Biddle K, Ferlie E, Oxman A

- (Co-Investigators); Canadian Health Services Research Foundation and United Kingdom National Health Service (NHS) Service Delivery and Organization (SDO) Programme; \$42,000.00
- 2003-06 Advancing theories, measurement and tools in knowledge transfer (operating grant); Landry R (Principal Investigator), Amara N, Lavis JN, Dobbins MJ (Co-Investigators); Canadian Institutes of Health Research (\$211,565.00).
- 2004-07 A bibliometric analysis of the knowledge utilization literature (operating grant); Estabrooks CA (Principal Investigator), Lavis JN, Profetto-McGrath J, Scott-Findlay S, Wallin L (Co-Investigators); Canadian Institutes of Health Research (\$299,246.00) and Social Sciences and Humanities Research Council (\$27,079.00).
- 2004-06 The supply, distribution and working context of health professionals: Why do things (almost) never change? (research grant); Lavis JN (Principal Investigator), Stoddart GL, Bourgeault I (Co-Investigators); Health Policy Research Program, Health Canada (\$253,550.00)
- 2005-08 Exploring knowledge brokering in public health: A natural phenomenon (operating grant); Dobbins MJ (Principal Investigator), Cameron R, Ciliska DK, Jack SM, Lavis JN, Manske SR, Mercer SL, Micucci SR, Mills CJ, O'Mara LM, Thomas H (Co-Investigators); Canadian Institutes of Health Research (\$194,340.00)
- 2005-06 The dynamics of parallel systems of finance: Interactions between Canada's workers' compensation systems and public health care systems (operating grant); Hurley JE (Principal Investigator), Culyer AJ, Gnam WH, Lavis JN, Mustard CA, Tompa E (Co-Investigators); Canadian Institutes of Health Research (\$75,000.00)
- 2005-08 What do knowledge-translation networks do? Examining interactions, products and outcomes of a genetics network (apogee-net) (operating grant); Lehoux PN and Denis J-L (Co-Principal Investigators), Abelson J, Lavis JN, Miller F (Co-Investigators); Canadian Institutes of Health Research (\$233,032.00)
- 2005-10 Knowledge synthesis and translation by The Cochrane Collaboration in Canada (operating grant); Grimshaw J (Principal Investigator), Bombardier C, Klassen T, McDonald J, Moher D, Tugwell P, Wright J, Lavis JN (Co-Investigators); Canadian Institutes of Health Research (\$7,804,937.00)
- 2005-06 Towards optimally packaged and relevance-assessed health technology assessments. (research grant); Lavis JN (Principal Investigator), Grimshaw I, Haynes RB, Raina P, Graham I, Gruen R, Ouimet M (Co-Investigators); Canadian Coordinating Office for Health Technology Assessment (\$100,000.00)
- 2006-08 Impact of measures of efficacy on decisions to insure a medication for Alzheimer's disease (operating grant); Raina P (Principal Investigator), Eva KW, Lavis JN, Oremus M (Co-Investigators); Canadian Institutes of Health Research (\$65,051.00)
- 2006-11 Canada research chair in knowledge transfer and exchange – tier II (personnel support); Government of Canada, Canada Research Chairs; \$500,000.00 over 5 years
- 2006-11 CIHR team in access to children's mental health services (team grant); McGrath P, Cunningham CA (Co-Principal Investigators), Bagnell A, Boyle M, Corkum P, Deal KR, Dooley M, Lavis JN, Lipman EL, MacLean C, Reid G, Stewart S, Watters C (Co-Investigators); Canadian Institutes of Health Research (\$4,308,210.00)
- 2007-08 Making Cochrane reviews more accessible to policymakers (research grant); Lavis JN (Principal Investigator), Grimshaw I, Haynes RB, Oxman AD, Raina P, Gruen R, Ouimet M (Co-Investigators); Cochrane Collaboration (23,421.29 GBP; approximately \$51,500.00)

- 2007-10 Pushing useful science to healthcare managers and policymakers (PUSH-MaP) (operating grant); Lavis JN (Principal Investigator), Grimshaw JM, Haynes RB, Raina P, Gruen R, Ouimet M (Co-Investigators); Canadian Institutes of Health Research (\$236,852.50)
- 2007-10 Ottawa research synthesis training and mentorship program: Developing a national capacity strategy (operating grant); Moher D (Principal Investigator), Lavis JN, Fergusson DA, Grimshaw JM, Tugwell PSL, Gough D, Popay J (Co-Investigators); Canadian Institutes of Health Research (\$147,312.00)
- 2008-09 Evaluating knowledge-translation platforms in low- and middle-income countries (operating grant – strategic priority); Lavis JN (Principal Investigator), Hamid MA, Ongolo-Zogo P, Pantoja T, Sewankambo N (Co-Investigators); Canadian Institutes of Health Research (\$100,000.00)
- 2008-12 Community alliance for health research and knowledge exchange in pain (team / community alliances grant); Henry JL (Principal Investigator), Gordon A, Hadjistavropoulos T, Hunter J, Lavis JN, Law M, Lax L, Lefort S, Li L, Macdermid J, McGillion M, Rashiq S, Solberg S, Solomon P, Taenzer P, Tugwell P, Watt-Watson J, Woodhouse L (Co-Investigators); Canadian Institutes of Health Research (\$2,500,000 of which \$350,000 to McMaster University)
- 2009-14 Supporting the use of research evidence (SURE) for policy in African health systems (Framework programme 7 collaborative project); Oxman AD (Principal Investigator), Sewankambo N, Ongolo-Zogo P, Kouyate BA, Gresenguet G, Kebede A, Machatine G, Kasonde J, Moatti J-P, Panisset U, Tomson G, Lavis JN (Co-Investigators); European Commission (€3,677,174.42, of which €67,433.93 to McMaster University)
- 2008-12 Knowledge translation Canada: A national research network (team grant); Grimshaw J (Principal Investigator), Godin G, Haynes RB, Laupacis A, Lavis JN, Legaré F, O'Connor A, Sales A, Strauss S, Sumit M (Co-Investigators); Canadian Institutes of Health Research (\$9,795,574) and Canada Foundation for Innovation (\$2,445,883 of which \$402,952 to McMaster University)
- 2009-11 McMaster Health Forum: Addressing pressing health challenges in Ontario's health system. Guyatt G (Principal Investigator), Lavis JN (Co-Investigator); Academic Health Science Centre (AHSC) Alternative Funding Plan (AFP) Innovation Fund (\$197,482)
- This funding supported in whole or in part three stakeholder dialogues convened by the McMaster Health Forum:
- Supporting chronic pain management across provincial and territorial health systems in Canada
 - Strengthening chronic disease management in Ontario
 - Enhancing patient transitions from treatment in a regional cancer centre to survivorship in the Hamilton Niagara Haldimand Brant community
- 2009-10 McMaster Health Forum: Using evidence briefs and deliberative dialogues for expedited knowledge synthesis (expedited knowledge synthesis). Lavis JN (Principal Investigator), McKibbin A, Schünemann HJ (Co-Investigators); Canadian Institutes of Health Research (\$110,000)
- This funding supported a stakeholder dialogue convened by the McMaster Health Forum: Developing a Rural Health Strategy in Saskatchewan
- 2009-14 IDRC research chair in evidence-informed health policies and systems. Sewankambo N (Principal Investigator), Lavis JN (Co-Principal Investigator); International Development Research Centre (\$750,000 to Makerere University; \$250,000 to McMaster University)
- 2010-14 Evaluating knowledge-translation platforms in low- and middle-income countries (operating grant); Lavis JN (Principal Investigator), El-Jardali F, Hanna SE, Ongolo-Zogo P, Pantoja T, Saleh N, Sewankambo NK (Co-Investigators); Canadian Institutes of Health Research (\$455,934)

- 2010-16 Knowledge synthesis and translation by Cochrane Canada (operating grant); Grimshaw J (Principal Investigator), Beyene J, Bombardier C, Feagan BG, Klassen T, Moayyedi P, Moher D, Tugwell P, Wright J, Lavis JN (Co-Investigators); Canadian Institutes of Health Research (\$9,600,000 of which \$648,189 to McMaster University)
- 2012 Governing the use of genetic tests and technologies (expedited knowledge synthesis); Wilson MG (Principal Investigator), Lavis JN (Co-Principal Investigator), Wilson BJ, Morgan SG, Carroll JC (Co-Investigators); Canadian Institutes of Health Research (\$99,790)
- 2012 Improving obesity outcomes using demand-side interventions in Canada (expedited knowledge synthesis); Guindon GE (Principal Investigator), Lavis JN, Wilson MG, Baskerville NB (Co-Investigators); Canadian Institutes of Health Research (\$99,790)
- 2012 Supporting integrated chronic disease management (expedited knowledge synthesis); Wilson MG (Principal Investigator), Lavis JN (Co-Principal Investigator), Grimshaw JM, Haynes RB, Hutchison BG (Co-Investigators); Canadian Institutes of Health Research (\$99,987)
- 2012 Preventing suicide in Canada (expedited knowledge synthesis); Lavis JN (Principal Investigator), Wilson MG (Co-Principal Investigator), Petermann L, Andersson N, Wiebe PK (Co-Investigators); Canadian Institutes of Health Research (\$99,980)
- 2012-15 Seeing the forests and the trees: Innovative approaches to exploring heterogeneity in systematic reviews of complex knowledge translation interventions to enhance policy decision making; Grimshaw J (Principal Investigator), Edwards A, Ivers N, Lavis JN, Manns B, Moher D, Paprica A, Ramsay T, Sargious P, Shojania K, Strauss S, Tonelli M, Tricco A, Yu C. (Co-Investigators); Canadian Institutes of Health Research (\$196,321)
- 2012-13 Use of heparins in cancer: Individual patient data meta-analysis; Schünemann HJ, Akl EA (Principal Investigators), Beyene J, Briel M, Brouwers M, Brozek J, Crowther M, Guyatt G, Lavis JN, Levine M, Lyman G, Santesso N (Co-Investigators); Canadian Institutes of Health Research (\$99,815)
- 2013-14 Strengthening governance and accountability in Ontario health technology assessment: A framework for public engagement in health services and policy research; Abelson J, Levin L (Co-Principal Investigators), Giacomini M, Lavis JN, Srinivasan V (Investigators); Canadian Institutes of Health Research (\$130,907, of which \$43,289 was used to support a Forum-convened stakeholder dialogue)
- 2013-16 Harnessing evidence and values for health system excellence; Lavis JN and Hurley J (Co-Principal Investigators), Abelson J, Giacomini M, Grignon M, Randall G, Sweetman A (Investigators); Health System Research Fund (\$4,961,963)
- 2013-14 Developing partnerships for a rapid response research evidence service; Lavis JN (Principal Investigator), Wilson MG (Co-Investigator); Canadian Institutes of Health Research (\$24,937)
- 2014-15 Understanding context in knowledge translation: Development and consensus of a conceptual framework; Squires JE (Principal Investigator), Brehaut J, Curran J, Fenton S, Francis J, Graham I, Grimshaw J, Hutchinson A, Ivers N, Lavis JN, McGuire A, Michie S, Noseworthy T, Sales A, Vine J. (Co-Investigators); Canadian Institutes of Health Research (\$100,000)
- 2014-16 Health systems guidance appraisal tool: Better guidance for better health systems; Brouwers MC, Lavis JN (Co-Principal Investigators), Bosch-Capblanch X, Chen Y, El-Jardali F, Florez ID, Giacomini M, Haines A, McNair S, Perel P, Wilson MB (Co-Investigators); Canadian Institutes of Health Research (\$189,897)

- 2014-15 Processes, contexts, and rationale for disinvestment: A critical interpretive synthesis. Wilson MG (Principal Investigator), Shemer J, Sullivan T, Ellen M, Garner S, Lavis JN, Goeree R, Moat KA, Grilli R, Peffer J, Grimshaw J, Samra K (Co-Investigators); Canadian Institutes of Health Research (\$100,000)
- 2015-21 Canada research chair in evidence-based health systems – Tier I (personnel support); Government of Canada, Canada Research Chairs (\$1,400,000)
- 2015-18 Queen Elizabeth Scholarships in health system strengthening (scholarship program for undergraduate and graduate students); Canadian Queen Elizabeth II Diamond Jubilee Scholarships, Government of Canada (\$498,549)
- 2015-16 Impact of celebrities on public health: A systematic review, meta-analysis and meta-regression analysis. Hoffman SJ, Belluz J (Co-Principal Investigators), Caulfield T, Freedhoff Y, Lavis JN, Sharma A (Co-Investigators); Canadian Institutes of Health Research (\$99,500)
- 2015-16 A critical interpretive synthesis of recommendations for de-intensification and de-implementation from population screening (DIMPLES). Little J, Clifford TJ (Co-Principal Investigators), Ashcroft R, Botkin J, Brehaut J, Coyle D, Dawson A, Dunfield L, Graham I, Grimshaw J, Kemper A, Lavis JN, Newson A, Nicholls S, Potter E, Sikora L, Verweij M, Wilson M (Co-Investigators), Canadian Institutes of Health Research (\$100,000)
- 2015-19 Suicide prevention in men: A cluster randomized control trial of smartphone assisted problem solving therapy compared to usual care in men who present with intentional self-harm to emergency departments. Hatcher S, Heisel M (Co-Principal Investigators), Links P, Wilkins C, Schaffer A, Raimundo A, Sidahmed A, Thavorn K, Corsi D, Lavis JN, Neufeld E, Rizvi S, Colman I, Sinyor M, Marlin S, Mushquash C, Schellenger M, Campbell JK (Co-Investigators), Ontario SPOR SUPPORT Unit (OSSU) Impact Award (\$2,000,000)
- 2015-18 Aging, disability and technology: A framework for research, implementation and policy. Wilson MG, Wang R (Project Co-Lead), Bickenbach J, Lavis JN, Putnam M. (Project Investigators), AGE-WELL National Centre of Excellence (\$186,050)
- 2015-18 Strengthening research and capacity in health systems research. Brown A (Principal Investigator), Lavis JN, Grimshaw G (Co-Investigators), Canadian Institutes of Health Research - Ontario SPOR SUPPORT Unit (\$250,000, of which \$76,835 came to our team)
- 2016 Development of a pan-Canadian framework of public values and priorities for integration into cancer drug funding decision-making. Abelson J, Burgess MM, Peacock S (Co-Principal Investigators), O'Doherty K, Lavis JN, Bombard Y, Longstaff H, Regier D, Mitton C, Wranik D, Hoch J, Boivin A, Alvi R (Co-Investigators), Canadian Partnership Against Cancer (\$798,706, of which \$510,800 came to our group)
- 2016 Evidence and values: What role in health policy to divest from screening. Nicholls SG, Clifford TJ, Little J (Co-Principal Investigators), Ashcroft R, Brehaut J, Graham I, Grimshaw J, Lavis JN, Newson A, Potter E, Wilson MG (Co-Investigators), Canadian Institutes of Health Research - Planning and Dissemination Grant (\$9,880)
- 2016-17 Harnessing evidence and values for health system excellence; Lavis JN and Hurley J (Co-Principal Investigators), Abelson J, Giacomini M, Grignon M, Randall G, Sweetman A (Investigators); Health System Research Fund (\$436,205)
- 2016-18 Harnessing evidence and values for health system excellence. Lavis JN and Hurley J (Co-Principal Investigators), Wilson M, Moat K, Hurley J, Abelson J, Mulvale G, Giacomini M, Vanstone M (Co-

- Investigators), Canadian Institutes of Health Research – Ontario SPOR SUPPORT Unit (\$1,250,000)
- 2016-17 Building patients’ capacity for finding and using patient-oriented research and for understanding how to use it to strengthen Ontario’s health system. Lavis JN (Principal Investigator), Lyddiatt A, Gavin F, Paprica A, Walker J, Grimshaw J, McGillion M (Co-Investigators), Canadian Institutes of Health Research – Ontario SPOR SUPPORT Unit (\$35,000)
- 2016-20 IMAGINE (Inflammation, Microbiome, and Alimentation: Gastro-Intestinal and Neuropsychiatric Effects) Chronic Disease Network. Lavis JN (Principal Investigator on sub-grant and Co-Investigator on full grant led by Paul Moayeddi), Canadian Institutes of Health Research (sub-grant \$400,000)
- 2017-18 Evaluating the impact of the McMaster Optimal Aging Portal on knowledge, behavioural intentions and health behaviours related to cancer risk in underserved populations. Dobbins M (Principal Investigator), Neil-Sztramko S, Boyko J, Levinson A, Lavis JN, Iorio A (Co-Investigators), Catalyst Grant Program, Canadian Institutes of Health Research (\$100,000)
- 2017-19 Harnessing evidence and values for health system excellence. Lavis JN and Abelson J (Co-Principal Investigators), Hurley J, Mulvale G, Sweetman A, Vanstone M, Wilson M (Co-Investigators), Health System Research Fund (\$1,262,727)
- 2017-19 Inappropriateness of health care in Canada. Squires JE, Grinspun DR (Principal Investigators); Bornstein S, Brien S, Dobrow M, Estabrooks C, Graham I, Greenough M, Grimshaw J, Hillmer M, Horsley T, Katz A, Krause C, Lavis J, Levinson W, Levy A, Légaré F, Majumdar S, Mancuso M, Morgan S, NadalinPenno L, Neuner A, Teare G, Tepper J, Vandyk A, Widmeyer D, Wilson M (Co-investigators); Canadian Institutes of Health Research (\$275,400)
- 2018-21 Queen Elizabeth Scholarships in health and social systems (scholarship program for undergraduate and graduate students). Lavis JN (Principal Investigator); Canadian Queen Elizabeth II Diamond Jubilee Scholarships, Government of Canada (\$299,500 plus partner funding for a total of \$643,398)
- 2018 A systematic review of interventions to promote safer and more effective opioid prescribing for chronic non-cancer pain (operating grant); Busse JW, Sauvé B (Principal Investigators); Buckley D, Grimshaw J, Ivers N, Juurlink D, Lavis JN, Pesseau J, Sadeghirad B, Zacharias R (Co-investigators); Canadian Institutes of Health Research (\$58,070)
- 2018-20 Partners for evidence-driven rapid learning in social systems; Lavis JN (Principal Investigator); Zida A, Ongolo-Zogo P, Abata E, Uneke J, Sewankambo N, Stewart R, Barreto J, Mansilla C, Patino-Lugo D, Chen Y, Al-Mawali A, El-Jardali F, Oliver S (Co-investigators); International Development Research Centre and Hewlett Foundation (\$532,491)
- 2019-20 Partners for evidence-driven rapid learning in social systems; Lavis JN (Principal Investigator); The Hewlett Foundation (USD\$95,778 / CAD\$126,024)
- 2019-22 Rapid-improvement Support and exchange; Lavis JN (Principal Investigator), Grimshaw JM, Reid RJ (Co-Investigators); Government of Ontario (\$4,459,055)
- 2019-24 Canadian housing evidence collaborative; Dunn JR (Principal Investigator) +41 co-investigators including Lavis JN. Canada Mortgage and Housing Corporation/ Social Sciences and Humanities Research Council Housing Partnership Development Grant (\$1,135,000)
- 2020-21 Knowledge synthesis: A COVID-19 rapid evidence synthesis service to support Ontario’s Mental Health and Addictions Center of Excellence; Lavis JN (Principal Investigator), Bullock HL, Wilson MG, Evans C (Co-investigators); Canadian Institute of Health Research (\$50,000)

- 2019-20 McMaster Optimal Aging Portal: AGE-Well challenge area adaptation; Lavis JN (Lead), Dobbins M, Iorio A, Levinson A, Raina P (Co-investigators); AGE-WELL National Centre of Excellence (\$150,000)
- 2020-23 Three stakeholder dialogues and nine citizen panels about building technology-enabled, aging-focused rapid learning health systems in Canada. Wilson MG (Lead), Lavis JN (Co-investigator); AGE-WELL National Centre of Excellence (\$550,000)
- 2020 Stakeholder dialogue on improving hospital-to-home transitions for older adults with complex health and social needs in Ontario; Lavis JN (Lead), Gauvin FP, Gannan R, Heald-Taylor G, Markle-Reid M, McAiney C, Moat KA; Community Assets Supporting Transitions (CAST) study funded from the Ontario SPOR SUPPORT Unit and the Labarge Optimal Aging Initiative, and supported by the CIHR Signature Initiative in Community-Based Primary Healthcare (\$35,000)
- 2020-21 Enhancing PROSPERO routine operations to support COVID-19; Stewart L (Principal Investigator), Lavis JN, Grimshaw J (Co-investigators); National Institute of Health Research (£140,000)

Research Dissemination Funding

- 2008 McMaster Health Forum; Lavis JN (Lead), Ministry of Health and Long-Term Care (\$200,198)
- 2009-10 Improving access to primary healthcare in Canada; Lavis JN (Lead), Health Council of Canada (\$65,444)
- 2009 Strengthening chronic disease management in Ontario; Lavis JN (Lead), Ontario Ministry of Health and Long-Term Care through a grant to Continuing Professional Development - Ontario (\$23,452)
- 2009 Optimizing diabetes management in Ontario; Lavis JN (Lead), Ontario Ministry of Health and Long-Term Care through a grant to the Li Ka Shing Knowledge Institute of St. Michael's Hospital (\$95,028)
- 2009-10 Engaging civil society in supporting research use in health systems; Lavis JN (Lead), Ontario Agency for Health Protection and Promotion (\$25,000), as well as supplementary funding through the Public Health Agency of Canada (\$9,972), World Health Organization (in kind) and Global Health Research Initiative (\$5,000)
- 2010 Strengthening primary healthcare in Canada; Lavis JN (Lead), Health Council of Canada (\$108,872)
- 2010 Addressing housing challenges faced by people with HIV; Lavis JN (Lead), Ontario HIV Treatment Network (\$30,019)
- 2010 Improving quality in primary healthcare in Ontario; Lavis JN (Lead), Quality Improvement and Innovation Partnership (\$40,000)
- 2011 Engaging health system decision-makers in supporting comprehensive chronic pain management in provincial and territorial health systems in Canada; Lavis JN (Lead), Canadian Pain Summit (\$15,000)
- 2010-11 Addressing health and emerging global issues in Canada; Lavis JN (Lead), Health Canada (\$59,999), as well as additional travel-related financial contributions from the British High Commission to Canada, McMaster University (through both the Office of the Vice President, Research and International Affairs, and the Office of the Associate Vice-President, Academic, Faculty of Health Sciences), and the Norwegian Knowledge Centre for the Health Services (through a grant from

- Norad, the Norwegian Agency for Development Cooperation), plus supplementary funding by the Global Health Research Initiative (\$6,000)
- 2011 Addressing the integration of nurse practitioners in primary healthcare settings in Canada/
Addressing the integration of clinical nurse specialists and nurse practitioners in acute healthcare settings in Canada; Lavis JN (Lead), Canadian Institutes of Health Research (\$40,000), CIHR APN Nursing (\$26,845), as well as supplementary funding through Canadian Health Services Research Foundation (\$13,042), Canadian Nurses Association (\$9,000) and Health Canada (\$19,998)
- 2011 Supporting neighbourhood-based approaches to addressing poverty concentration and its impacts on health in Hamilton; Lavis JN (Lead), Population Health Improvement Research Network (PHIRN) through the Chair in Research on Urban Neighbourhoods, Community Health and Housing (CRUNCH) at McMaster University (\$38,000), as well as supplementary funding through the Hamilton Community Foundation (\$4,000) and the City of Hamilton (\$4,999)
- 2011 Measuring health system efficiency in Canada; Lavis JN (Lead), Canadian Institute for Health Information (\$54,600)
- 2010-11 Organizing a care system for older adults in Ontario; Lavis JN (Lead), Labarge Charitable Foundation (\$60,000)
- 2011-12 Expanding the uptake of hospital-based tobacco-use cessation supports across Ontario; Lavis JN (Lead), Ontario Ministry of Health Promotion and Sport (\$70,000)
- 2012-16 Evidence-Informed Healthcare Renewal portal; Lavis JN (Lead), Institute of Health Services and Policy Research (IHSPR) based at McGill University (\$109,766) ((\$18,944 for development and launch in 2012; \$84,322 for site maintenance and provision of evidence service between 2012 and 2016; and \$6,500 for development of splash page and portal content for workshops in 2013)
- 2012-13 Building momentum in using the avoidable mortality indicator in Canada; Lavis JN (Lead), Canadian Institute for Health Information (\$67,959)
- 2012-19 McMaster Optimal Aging Portal and McMaster/Labarge Optimal Aging Knowledge-Translation Initiative; Lavis JN (Lead), Labarge Optimal Aging Initiative (\$2,814,334)
- 2013 Improving end-of-life communication, decision-making and care in Ontario; Lavis JN (Lead), Ontario Medical Association (\$32,930)
- 2013 Supporting optimal screening approaches in Canada; Lavis JN (Lead), Health Council of Canada (\$105,000.00)
- 2013 Strengthening national health systems' capacity to respond to future global health issues; Hoffman SJ (Lead), Lavis JN (Co-Lead), International Development Research Centre, Global Health Research Initiative (\$56,000)
- 2013-14 Fostering leadership for health system redesign in Canada; Lavis JN (Lead), Royal Roads University (\$55,000)
- 2013-14 Thinking ahead: A symposium on optimal aging; Lavis JN (Lead), Labarge Charitable Foundation (\$120,000)
- 2014 Meeting the future care needs of older adults in Ontario?; Lavis JN (Lead), Ontario Association of Community Care Access Centres (\$10,000)

- 2014 Workshop on finding & using research evidence and preparing evidence briefs; Lavis JN (Lead); Université Laval (\$14,867)
- 2014 Rapid synthesis: Engaging in Priority Setting about Primary and Integrated Healthcare Innovations in Canada; Wilson GM, Lavis JN; Government of Ontario through a Health System Research Fund grant entitled “Harnessing evidence and values to achieve health-system excellence” and Health Canada (\$23,479)
- 2014-15 Improving the delivery of complex cancer surgeries in Canada; Abelson J (Lead), Lavis JN (Co-Lead), Canadian Partnership Against Cancer (through a sub-grant from Christian Finley (\$99,977)
- 2014-15 BHSc student integration into the McMaster Optimal Aging Portal; Lavis JN (Lead), Labarge Charitable Foundation (\$100,000)
- 2014-15 Optimizing practice in Ontario based on data, evidence and guidelines; Lavis JN (Lead), Registered Nurses’ Association of Ontario (\$40,000)
- 2015 Helping Canadians get more involved in health and healthcare decisions: Adding a decision aids database to the McMaster Optimal Aging Portal; Lavis JN (Lead), Haynes RB, Dobbins M, Levinson A, Raina P, Carroll S, McGillion M, Stacey D (Team members), Labarge Charitable Foundation (\$98,538)
- 2015 Addressing the development of national childhood cancer-care strategies in Latin America; Lavis JN (Lead), Wilson MG, Union for International Cancer Control (US\$30,000 / C\$36,264)
- 2015 Exploring models for pharmacist prescribing in primary and community care settings in Ontario; Lavis JN (Lead), Government of Ontario through a Health System Research Fund grant entitled “Fostering innovation and evaluating the effectiveness of Ontario pharmacist-led medication management programs” (sub-grant) (\$50,000)
- 2015 Evidence informed decision making network of the Caribbean; Lavis JN (Lead), Caribbean Public Health Agency (US\$57,069/C\$68,808)
- 2015 Engaging communities in setting priorities for home and community care in northeastern Ontario; Lavis JN (Lead), Government of Ontario through a Health System Research Fund grant entitled “Improving health equity for northern Ontarians: Applied research with vulnerable populations” (sub-grant) and North East Community Care Access Centre (\$26,000)
- 2015 Using financial incentives to achieve health-system goals in Ontario; Lavis JN (Lead), Government of Ontario through a Health System Research Fund grant entitled “Harnessing evidence and values to achieve health-system excellence” (sub-grant \$15,000) and Registered Nurses’ Association of Ontario (\$10,000)
- 2015 Improving pain and symptom management in cancer care in Ontario; Lavis JN (Lead), Canadian Cancer Society Research Institute (sub-grant) (\$25,000)
- 2015 Workshop on finding and using research evidence; Lavis JN (Lead), WHO Iraq Country Office (\$21,240)
- 2015-16 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$116,421/ C\$152,742)
- 2015-16 Building a primary-care “home” for every Ontarian; Lavis JN (Lead), Ontario College of Family Physicians (\$99,921)

- 2015-16 Strengthening support of chronic diseases in Ontario; Lavis JN (Lead), Ontario Medical Association (\$83,921)
- 2016 Models and training programs for physicians; Lavis JN (Lead), College of Family Physicians of Ontario (\$11,000)
- 2016 Working on finding and using research evidence; Lavis JN (Lead), Research Manitoba (\$15,685)
- 2016 Workshop on finding and using research evidence; Lavis JN (Lead), Ontario Ministry of Education (\$6,750)
- 2016 Planning for the future health workforce of Ontario; Lavis JN (Lead), Registered Nurses' Association of Ontario (\$10,000)
- 2016 Addressing health system sustainability in Ontario; Lavis JN (Lead), Ontario Medical Association (\$84,985)
- 2016 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$68,075; C\$87,681)
- 2016 Workshop on finding and using research evidence; Lavis JN (Lead), Alberta SPOR SUPPORT Unit (\$18,005)
- 2016-17 Rapid response service; Wilson MG (Lead) and Lavis JN (Co-Lead), B.C. Ministry of Health (\$45,000)
- 2016-20 Masterclass on the conduct and use of patient-oriented research; Lavis JN, Canadian Institutes of Health Research - Ontario SPOR SUPPORT Unit (\$224,905)
- 2016-17 Social Systems Evidence; Lavis JN, McMaster University (\$515,500)
- 2016-17 A citizen panel and stakeholder dialogue on taking a step towards achieving worry-free surgery in Ontario; Lavis JN (Lead), Wilson MG, Department of Health Research Methods, Evidence and Impact, McMaster University, through a grant from the Impact Agenda 2020 Research Project; (\$30,000), as well as from Hamilton Health Sciences Corporation, through its Population Health Research Institute (\$32,000)
- 2017 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$69,468; C\$90,298)
- 2017 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$51,656; C\$64,035)
- 2017 Mini-Masterclass on the conduct and use of patient-oriented research; Lavis JN (Lead), Ontario Ministry of Health and Long-Term Care (\$2,636)
- 2017 Rapid synthesis: Examining the effects of cannabis decriminalization in jurisdictions outside Canada; Lavis JN (Lead) and Wilson MG (Co-Lead); Michael G. DeGroot Centre for Medicinal Cannabis Research (\$11,000)
- 2017 Rapid synthesis (scoping review): Identifying core components of collaborative-care models for treating mental health and physical health conditions; Lavis JN (Lead) & Wilson MG (Co-Lead) and, Trillium Health Partners (\$23,000)

- 2017 Rapid synthesis: Changing practice to achieve equity in Ontario's education sector; Lavis JN, Ontario Ministry of Education (\$6,000)
- 2017 Rapid-response service; Lavis JN (Lead), Ontario Ministry of Education (\$24,200)
- 2017 Technical support to develop and implement framework to integrate social values and patients' perspectives in health technology assessment and coverage decisions; Lavis JN, Instituto de Evaluación Tecnológica en Salud (US\$15,605; C\$19,656)
- 2017 Stakeholder dialogue on developing a national pain strategy in Canada; Lavis JN, Michael G. DeGroote Institute for Pain Research and Care in the context of its support for the Canadian Pain Network (\$90,363)
- 2017-18 Modernizing the oversight of the health workforce in Ontario (or Identifying pan-Canadian health workforce planning challenges and best practices and approaches to health workforce planning in Ontario) Lavis JN (Lead). Ontario Ministry of Health and Long-Term Care (grant #02045) (\$122,645)
- 2017-19 Health Systems Evidence - translation services for Portuguese; Lavis JN, Pan-American Health Organization (US\$13,500; C\$16,832); additional amounts received (US\$3,000; C\$3,677)
- 2017-19 Rapid-response service; Wilson MG (Lead) & Lavis JN (Co-Lead), B.C. Ministry of Health (\$360,800)
- 2018 Rapid synthesis: Examining the costs and cost-effectiveness of policies for reducing alcohol consumption; Lavis JN (Lead), Canadian Partnership Against Cancer (\$10,000)
- 2018 Rapid synthesis: Identifying effective and cost-effective population-level approaches to promote healthy eating; Lavis JN (Lead), Canadian Partnership Against Cancer (\$11,021)
- 2018 Rapid synthesis: Identifying the effects of homecare on improving health outcomes, client satisfaction and health system sustainability; Lavis JN (Lead) Alberta Health (\$2,500)
- 2018 Stakeholder dialogue and two citizen panels on strengthening collaboration to optimize efforts addressing gambling-related harm in Ontario; Lavis JN (Lead), Gambling Research Exchange Ontario (\$99,921)
- 2018 Stakeholder dialogue and two citizen panels on optimizing patient and family transitions from cancer treatment to primary- and community-care supports in Canada; Lavis JN (Lead), Canadian Partnership Against Cancer (\$134,033)
- 2018 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$30,293; C\$37,242)
- 2018 Adding PHC Evidence as a tool on the PHCPI website; Lavis JN (Lead), Results for Development (R4D) as the lead partner in the Primary Health Care Performance Initiative (US\$60,586; C\$77,531)
- 2018 Rapid synthesis: Identifying performance measures, indicators and targets to monitor and evaluate dementia strategies; Lavis JN, Government of Alberta (\$2,500)
- 2018 Rapid synthesis: Supporting parents in making informed decisions in relation to their children's health needs; Wilson MG (Lead), Lavis JN, Health Nexus (\$8,000)
- 2018 Rapid synthesis: Identifying effective approaches to support parents and caregivers of children with fetal alcohol spectrum disorder; Wilson MG (Lead), Lavis JN, Health Nexus (\$11,000)

- 2018 Rapid synthesis: Creating a pan-Canadian rapid learning health system; Lavis JN (Lead), McGill University (on behalf of IHSPR) (\$50,000) and University of Calgary (on behalf of the Canadian and Health Services and Policy Research Alliance) (\$10,000)
- 2018 Rapid synthesis: Examining the impact of harm-reduction based educational interventions for families affected by opioid addiction; Wilson MG (Lead), Lavis JN, Health Nexus (\$8,000)
- 2018-19 Stakeholder dialogue on improving access to care and outcomes for heart failure in Ontario; Lavis JN (Lead), University Health Network as a subgrant from an Ontario SPOR SUPPORT Unit (OSSU) Impact Award (\$70,000)
- 2018-19 Stakeholder dialogue on preparing emerging leaders for alternative futures in health systems across Canada; Lavis JN (Lead), Health Leadership Academy, DeGroote School of Business (\$103,309)
- 2018-19 A citizen panel and stakeholder dialogue on strengthening approaches to preventing and managing infectious disease among injection drug users; Wilson MG (Lead), Lavis JN, Loeb M and HEI's Agenda 2020 IDU Working Group; Department of Health Research Methods, Evidence and Impact, McMaster University (\$30,000)
- 2019 Stakeholder dialogue on addressing area-level disparities in prices of tobacco and vaping products in Ontario and Québec; Guindon E (Lead), Fatima T, Buckley G, Montreuil A, Lavis JN, Wilson MG; Canadian Cancer Society Research Institute (sub-grant \$ 49,530)
- 2019 Citizen panel on engaging older adults with complex health and social needs, and their caregivers, to improve hospital-to-home transitions in Ontario; Lavis JN (Lead), Gauvin FP, Gannan R, Heald-Taylor G, Markle-Reid M, McAiney C, Moat KA; Community Assets Supporting Transitions (CAST) study funded from the Ontario SPOR SUPPORT Unit and the Labarge Optimal Aging Initiative, and is supported by the CIHR Signature Initiative in Community-Based Primary Healthcare (\$35,000)
- 2019 Stakeholder dialogue on scaling up shared decision-making in home and community care in Canada; Lavis JN (Lead), Gauvin FP, Légaré F, Plourde K; Canadian Institutes of Health Research Foundation (subgrant via Université Laval, \$80,000)
- 2019 Stakeholder dialogue on achieving greater impact from investments in medicines in Canada; Lavis JN (Lead), Waddell K, Moat KA, Gauvin FP, Law M, Persaud N; Ontario SPOR SUPPORT Unit, Canadian Institute for Health Research, and St. Michael's Hospital Foundation (subgrant from Unity Health Toronto, \$113,964)
- 2019 Three citizen panels and a stakeholder dialogue on enhancing the delivery of comprehensive care for people living with HIV in Canada; Wilson MG (Lead), Mattison C, Gao C, Scallan E, Kendall C, Lavis JN; funding by 1) Canadian Institutes of Health Research through a patient-oriented research collaboration grant (PEG-157060) and a team grant entitled 'Advancing primary healthcare for persons living with HIV in Canada (IT5-128270); and 2) government of Ontario through grants to the Ontario HIV Treatment Network and to the McMaster Health Forum; and 3) Ontario SPOR SUPPORT Unit (\$136,978)
- 2020 Social Systems Evidence: Adding mobility-related content on the social aspects/determinants of optimal aging to the McMaster Optimal Aging Portal; Lavis JN (Lead), Dobbins M, Iorio A, Levinson A, Raina P (Co-investigators); McMaster Institute for Research in Aging (\$25,000)
- 2020 Stakeholder dialogue about creating a pan-Canadian learning health system for neurodevelopmental disorders and workshop to support the establishment of a rapid-learning health system for neurodevelopmental disorders in Canada; Lavis JN (Lead); Azrieli Foundation in partnership with

McMaster University (\$87,000)

- 2020 Rapid synthesis and strategic advisory service about establishing supports for evidence-informed health-system transformation in Nova Scotia; Lavis JN (Lead), Wilson MG (Co-investigator); Nova Scotia Health Authority (\$37,000)
- 2020 COVID-19 Evidence Network to support Decision-making (COVID-END); Lavis JN (Lead), Grimshaw J (Co-Lead); Centre for Effective Altruism U.S.A (USD\$80,000 / C\$104,423)
- 2020 COVID-19 Evidence Network to support Decision-making (COVID-END); Lavis JN (Lead), Grimshaw J (Co-Lead); Fidelity Charitable (USD\$88,900 / C\$115,583)
- 2020 Rapid evidence profiles about vaccine injury-compensation programs and vaccine delivery-program elements; Lavis JN (Lead), Public Health Agency of Canada (\$19,726.70)
- 2020 Rapid response services for rapid evidence reviews and jurisdictional scans; Wilson MG (Lead), Lavis JN (Co-investigator), B.C. Ministry of Health (\$75,000)

 241. Gauvin FP, Waddell K, Dion A, Lavis JN, Abelson J, Bullock H. Citizen brief: Engaging patients, families and caregivers to support Ontario Health Teams. Hamilton: McMaster Health Forum | Rapid-Improvement Support and Exchange, 18 March 2020.
 242. Wilson MG, Gauvin FP, Waddell K, Moat KA, Lavis JN. COVID-19 rapid evidence profile #1: What is known about approaches to and safety of conserving, re-using, and repurposing different kinds of masks? Hamilton: McMaster Health Forum, 14 April 2020.
 243. Waddell K, Gauvin FP, Wilson MG, Moat KA, Mansilla C, Lavis JN. COVID-19 rapid evidence profile # 2: What is known about the spread and management of COVID-19 in non-health workplaces? Hamilton: McMaster Health Forum, 20 April 2020.
 244. Wilson, MG, Waddell K, Gauvin FP, Mansilla, C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #3: What is the evidence about and international and Canadian experiences with asymptomatic screening to identify COVID-19 cases and to prevent transmission? Hamilton: McMaster Health Forum, 29 April 2020.
 245. Wilson MG, Gauvin FP, Moat KA, Waddell K, Mansilla C, Wang Q, Lavis JN. COVID-19 rapid evidence profile #4: What are the most effective non-medical for preventing community transmission of COVID-19, and should they be required for all of society? Hamilton: McMaster Health Forum, 29 April 2020.
 246. Waddell K, Gauvin FP, Wilson MG, Moat KA, Mansilla C, Wang Q, Lavis JN. COVID-19 rapid evidence profile #5: What is known about the use of medical masks by essential non-medical workers to prevent community transmission of COVID-19? Hamilton: McMaster Health Forum, 29 April 2020.
 247. Waddell K, Wilson MG, Gauvin FP, Mansilla, C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #6: What is known about strategies for supporting the use of masks under shortage conditions to prevent COVID-19? Hamilton: McMaster Health Forum, 30 April 2020.

248. Waddell K, Wilson MG, Gauvin FP, Mansilla, C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #7: What are the international lessons learned from re-opening non-COVID-19 activities in hospitals? Hamilton: McMaster Health Forum, 12 May 2020.
249. Wilson MG, Waddell K, Gauvin FP, Mansilla, C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #8: How effective is temperature taking at borders or in general as a screening tool to identify people who may have COVID-19 and need to take appropriate action? Hamilton: McMaster Health Forum, 14 May 2020.
250. Waddell K, Wilson MG, Gauvin FP, Mansilla C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #9: What is the incremental benefit of using a history of sudden loss of taste (ageusia) and/or smell (anosmia) in symptom screening to identify people who may have COVID-19 and need to take appropriate action? Hamilton: McMaster Health Forum, 14 May 2020.
251. Wilson MG, Waddell K, Gauvin FP, Mansilla, C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #10: What screening approaches can be used in non-healthcare settings (e.g., universities, stores and office settings) to identify people who may have COVID-19 and need to take appropriate action? Hamilton: McMaster Health Forum, 15 May 2020.
252. Waddell K, Wilson MG, Gauvin FP, Mansilla C, Moat KA, Wang Q, Voorheis P, Bhuiya AR, Ahmad A, Sharma K, Lavis JN. COVID-19 rapid evidence profile #11: What is the evidence related to playground equipment and risk of COVID-19 transmission? Hamilton: McMaster Health Forum, 28 May 2020.
253. Wilson MG, Waddell K, Gauvin FP, Mansilla C, Moat KA, Wang Q, Voorheis P, Bhuiya AR, Ahmad A, Lavis JN. COVID-19 rapid evidence profile #12: What insights from the available evidence and jurisdictional scans can inform who should be tested for COVID-19 and how frequently, where, by whom and with what follow-up actions should they be tested? Hamilton: McMaster Health Forum, 2 June 2020.
254. Waddell K, Wilson MG, Bullock HL, Evans C, Gauvin FP, Mansilla C, Moat KA, Wang Q, Voorheis P, Bhuiya AR, Ahmad A, Lavis JN. COVID-19 rapid evidence profile #13: What pandemic-related mental health and addictions issues have emerged and what indicators and strategies can be used to monitor and address them, respectively? Hamilton: McMaster Health Forum, 10 June 2020.
255. Waddell K, Wilson MG, Gauvin FP, Mansilla C, Moat KA, Wang Q, Lavis JN. COVID-19 rapid query response #1: What are large non-Canadian jurisdictions' planned daily (viral and antibody) testing capacity by the fall? Hamilton: McMaster Health Forum, 10 June 2020.
256. Waddell K, Bullock HL, Evans C, Wilson M, Gauvin FP, Moat KA, Mansilla C, Wang Q, Bhuiya AR, Ahmad A, Filbey L, Lavis JN. COVID-19 rapid evidence profile #14: Where and with what impacts have shifts from in-person to virtual approaches occurred in the delivery of healthcare services in general and mental health and addictions services in particular? Hamilton: McMaster Health Forum, 26 June 2020.
257. Wang Q, Wilson MG, Waddell K, Lavis JN. COVID-19 rapid query response #2: What is known from evidence and experiences in China about the use of QR codes in contact tracing for COVID-19? Hamilton: McMaster Health Forum, 26 June 2020.
258. Wilson MG, Waddell K, Gauvin FP, Mansilla C, Moat KA, Wang Q, Bhuiya A, Voorheis P, Ahmad A, Gao C, Alam S, Lavis JN. COVID-19 rapid evidence profile #15: What frameworks from available evidence and experiences in other countries can inform what needs to be done to plan for future waves of COVID-19? Hamilton: McMaster Health Forum, 24 July 2020.

259. Evans C, Bullock, HL, Wilson MG & Lavis JN. Rapid synthesis: The effectiveness of virtual care for adults with mental health and/or addictions issues. Hamilton: McMaster Health Forum, 29 July 2020.
260. Wilson MG, Waddell K, Wang Q, Gauvin FP, Mansilla C, Moat KA, Ahmad A, Alam S, Bhuiya A, Lavis JN. COVID19 rapid evidence profile #16: What provider-led virtual-care services can be used to replace in-person care in hospital based ambulatory care settings? Hamilton: McMaster Health Forum, 31 July 2020.
261. Wilson MG, Waddell K, Moat KA, Wang Q, Ahmad A, Alam S, Bhuiya A, Sharma K, Lavis JN. COVID-19 rapid evidence profile #17: What evidence could support modelling scenarios related to the reopening, operation and monitoring of schools? Hamilton: McMaster Health Forum, 17 August 2020.
262. Waddell K, Wilson MG, Bhuiya A, Ahmad A, Gauvin FP, Wang Q, Lavis JN. COVID-19 rapid query response #3: What testing approaches are being used in other countries? Hamilton: McMaster Health Forum, 24 August 2020.
263. Waddell K, Wilson MG, Gauvin FP, Moat KA, Wang Q, Ahmad A, Bhuiya A. COVID-19 rapid evidence profile #18: Which types of non-medical masks are effective in community settings for reducing the spread of COVID-19 for different populations and under different conditions? Hamilton: McMaster Health Forum, 4 September 2020.
264. Bullock, HL, Evans C, Wilson MG & Lavis JN. Rapid synthesis: Understanding educator and student mental health and addictions needs during the COVID-19 pandemic and existing approaches that address them. Hamilton: McMaster Health Forum, 18 September 2020.
265. Waddell K, Wilson MG, Moat KA, Wang Q, Gauvin FP, Ahmad A, Alam S, Bhuiya A, Tchakerian N, Lavis JN. COVID-19 rapid evidence profile #19: What is the risk of transmission of COVID-19 in hospitals and long-term care homes, and the impacts of visitor policies in these settings? Hamilton: McMaster Health Forum, 24 September 2020.
266. Wilson MG, Waddell K, Moat KA, Wang Q, Lavis JN. COVID-19 rapid evidence profile #20: What economic and social responses to COVID-19 have been evaluated in systematic reviews? Hamilton: McMaster Health Forum, 9 October 2020
267. Bullock H, Waddell K, Bhuiya A, Wilson MG, Gauvin FP, Moat KA, Alam S, Lavis JN. COVID-19 rapid evidence profile #21: What is the impact of the pandemic on substance use (particularly, alcohol and opioid use) in the population, and what policy decisions have been adopted that affect the availability and use of substances, as well as services for people who use substances? Hamilton: McMaster Health Forum, 19 October 2020.
268. Bhuiya AR, Waddell K, Moat KA, Wilson MG, Gauvin FP, Whitelaw S, Alam S, Sharma K, Drakos A, Lavis JN. COVID-19 rapid evidence profile #22: What is known about whether vaccine injury-compensation programs and program elements affect vaccine acceptance and uptake. Hamilton: McMaster Health Forum, 29 October 2020.
269. Bhuiya AR, Wilson MG, Moat KA, Gauvin FP, Wang Q, Whitelaw S, Alam S, Sharma K, Ahmad A, Drakos A, Dren N, Bain T, Lavis JN. COVID-19 rapid evidence profile #23: What is known about anticipated COVID-19 vaccine-delivery program elements, and whether and how federated states are harmonizing these elements across constituent units of federations. Hamilton: McMaster Health Forum, 5 November 2020.
270. Bhuiya AR, Wilson MG, Wang Q, Alam S, Whitelaw S, Sharma K, Ahmad A, Drakos A, Dren N, Bain T, Moat KA, Gauvin FP, Lavis JN. COVID-19 rapid evidence profile #24: What is known

about strategies for encouraging vaccine acceptance and addressing vaccine hesitancy (including efforts to combat misinformation that may lead to vaccine hesitancy) or uptake (when interpreted, at least in part, through the perspective of vaccine acceptance or hesitancy)? Hamilton: McMaster Health Forum, 17 November 2020.
